CD-1 (10)

4925 Cambie Street & 4950 Heather Street *By-law No. 3897*

(Being a By-law to Amend By-law 3575, being the Zoning and Development By-law)

Effective January 31, 1961

(Amended up to and including By-law No. 9674, dated June 24, 2008)

1 [Section 1 is not reprinted here. It contains a Standard clause amending Schedule D (Zoning District Plan) to reflect this rezoning to CD-1.]

2 Uses

The area shown included within the heavy black outline on Schedule “A” shall be more particularly described as CD-1(10), and the only uses permitted within the outlined area, subject to such conditions as Council may by resolution prescribe, and the only uses for which development permits will be issued are:

- (a) Child Day Care Facility,
- (b) Church,
- (c) Community Care Facility - Class B, and [9674; 08 06 24]
- (d) Accessory Uses customarily ancillary to the above uses, but limited to rectory, offices, classrooms and meeting rooms on Lot C, as shown on Diagram 1 below.

3 Floor Space Ratio

3.1 The floor space ratio must not exceed 1.00 on Lot B and 0.70 on Lot C, both as shown on Diagram 1 below. For the purpose of computing floor space ratio, Lot B is deemed to be 10 095 m², being their sizes at time of application for rezoning, prior to any dedications.

3.2 The following will be included in the computation of floor space ratio:

- (a) all floors having a minimum ceiling height of 1.2 m, including earthen floor, both above and below ground level, to be measured to the extreme outer limits of the building; and
- (b) stairways, fire escapes, elevator shafts and other features which the Director of Planning considers similar, to be measured by their gross cross-sectional areas and included in the measurements for each floor at which they are located.

Note: Information included in square brackets [] identifies the by-law numbers and dates for the amendments to By-law No. 3897 or provides an explanatory note.

3.3 The following will be excluded in the computation of floor space ratio:

- (a) open residential balconies or sundecks, and any other appurtenances which, in the opinion of the Director of Planning, are similar to the foregoing;
- (b) patios and roof gardens, provided that the Director of Planning first approves the design of sunroofs and walls;
- (c) where floors are used for off-street parking and loading, bicycle storage, heating and mechanical equipment, or uses which in the opinion of the Director of Planning are similar to the foregoing, those floors or portions thereof so used, which:
 - (i) are at or below the base surface, provided that the maximum exclusion for a parking space will not exceed 7.3 m in length; or
 - (ii) are above the base surface and where developed as off-street parking are located in an accessory building situated in the rear yard, provided that the maximum exclusion for a parking space will not exceed 7.3 m in length; and
- (d) amenity areas on Lot B, including recreation facilities and meeting rooms, to a maximum total of 10 percent of the total building floor area;
- (e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000. [8169; 00 03 14]

4 Height

The maximum height measured above the base surface is 18.3 m on Lot B and 10.7 m on Lot C.

5 Setback

5.1 A landscaped setback of 7.6 m from all property boundaries must be provided, except for buildings existing as of October 5, 1999 the depth of or the requirement of a landscaped setback may be relaxed by the Director of Planning.

5.2 The Director of Planning may permit a setback of 4.6 m from the interior property lines between Lots B and C.

5.3 The Director of Planning may permit surface parking and loading within the landscaped setback between Lots B and C where satisfied that a reduced setback will improve the siting of a building and its relationship to surrounding development.

6 Off-Street Parking and Loading

Off-street parking and loading for vehicles and spaces for bicycles must be provided, developed and maintained in accordance with the applicable provisions of the Parking By-law, except that

- (a) for Community Care Facility - Class B, a minimum of 1 space for every 6 beds must be provided for staff and 1 space for every 10 beds must be provided for visitors. [9674; 08 06 24]
- (b) for Church, a minimum of 1 space for each 9.3 m² of floor area used for assembly purposes must be provided, except that where two or more separate areas of assembly exist within a site and are not used concurrently, the Director of Planning may require parking for only the largest of these areas, and
- (c) for all other uses, including accessory uses to Church, a minimum of 1 space for each 40 m² of floor area must be provided, subject to Section 4.1.9 of the Parking By-law.

7 Acoustics

All development permit applications require evidence in the form of a report and recommendations prepared by a person trained in acoustics and current techniques of noise measurement, demonstrating that the noise levels in those portions of the dwelling units listed below do not exceed the noise level set opposite such portions. For the purposes of this section, the noise level is the A-weighted 24-hour equivalent (Leq) sound level and is defined simply as noise level in decibels.

Portions of dwelling units	Noise levels (Decibels)
bedrooms	35
living, dining, recreation rooms	40
kitchen, bathrooms, hallways	45

8 *[Section 8 is not reprinted here. It contains a standard clause including the Mayor and City Clerk's signature to pass the by-law and certify the by-law number and date of enactment.]*

THE LOT SHOWN BELOW OUTLINED IN RED IS REZONED FROM (RS-1)

CITY PLANNING OFFICE

RECEIVED
FEB 2 1961

BY-LAW NO. 3897.

A By-law to amend By-law No. 3575 being the
Zoning and Development By-law.

F4854
VANCOUVER, B.C.

THE COUNCIL OF THE CITY OF VANCOUVER in open meeting assembled enacts as follows:

1. The Plan attached to and forming an integral part of By-law No. 3575 and designated as the "Zoning District Plan" and marked as Schedule "D" to said By-law is hereby amended according to the plan marginally numbered Z-64-B and Z-65-A annexed to this By-law and marked as Schedule "D" hereto, and in accordance with the explanatory legend, notations, references and boundaries designated, described, delimited, and specified in particularity shown upon said plan annexed hereto; and the various boundaries and districts shown upon the plan hereto annexed respectively are an amendment of and in substitution for the respective districts, designated and marked on said Schedule "D" of said By-law No. 3575 insofar as the same are changed, modified or varied thereby, and the said Schedule "D" annexed to said By-law No. 3575 shall be deemed to be and is hereby declared to be amended accordingly and the said Schedule "D" attached to this By-law is hereby declared to be and shall form an integral part of said plan marked as Schedule "D" to said By-law No. 3575, as if originally incorporated therein, and shall be interpreted accordingly.
2. This By-law shall come into force and take effect on and after the date of the final passing hereof.

DONE AND PASSED in open Council this 31st day of January, 1961.

(Sgd) A. T. Alsbury

Mayor

(Seal)

(Sgd) R. Thompson

This By-law received:
 1st reading - January 31, 1961
 2nd " - January 31, 1961
 3rd " - January 31, 1961

City Clerk

(Sgd) R. Thompson

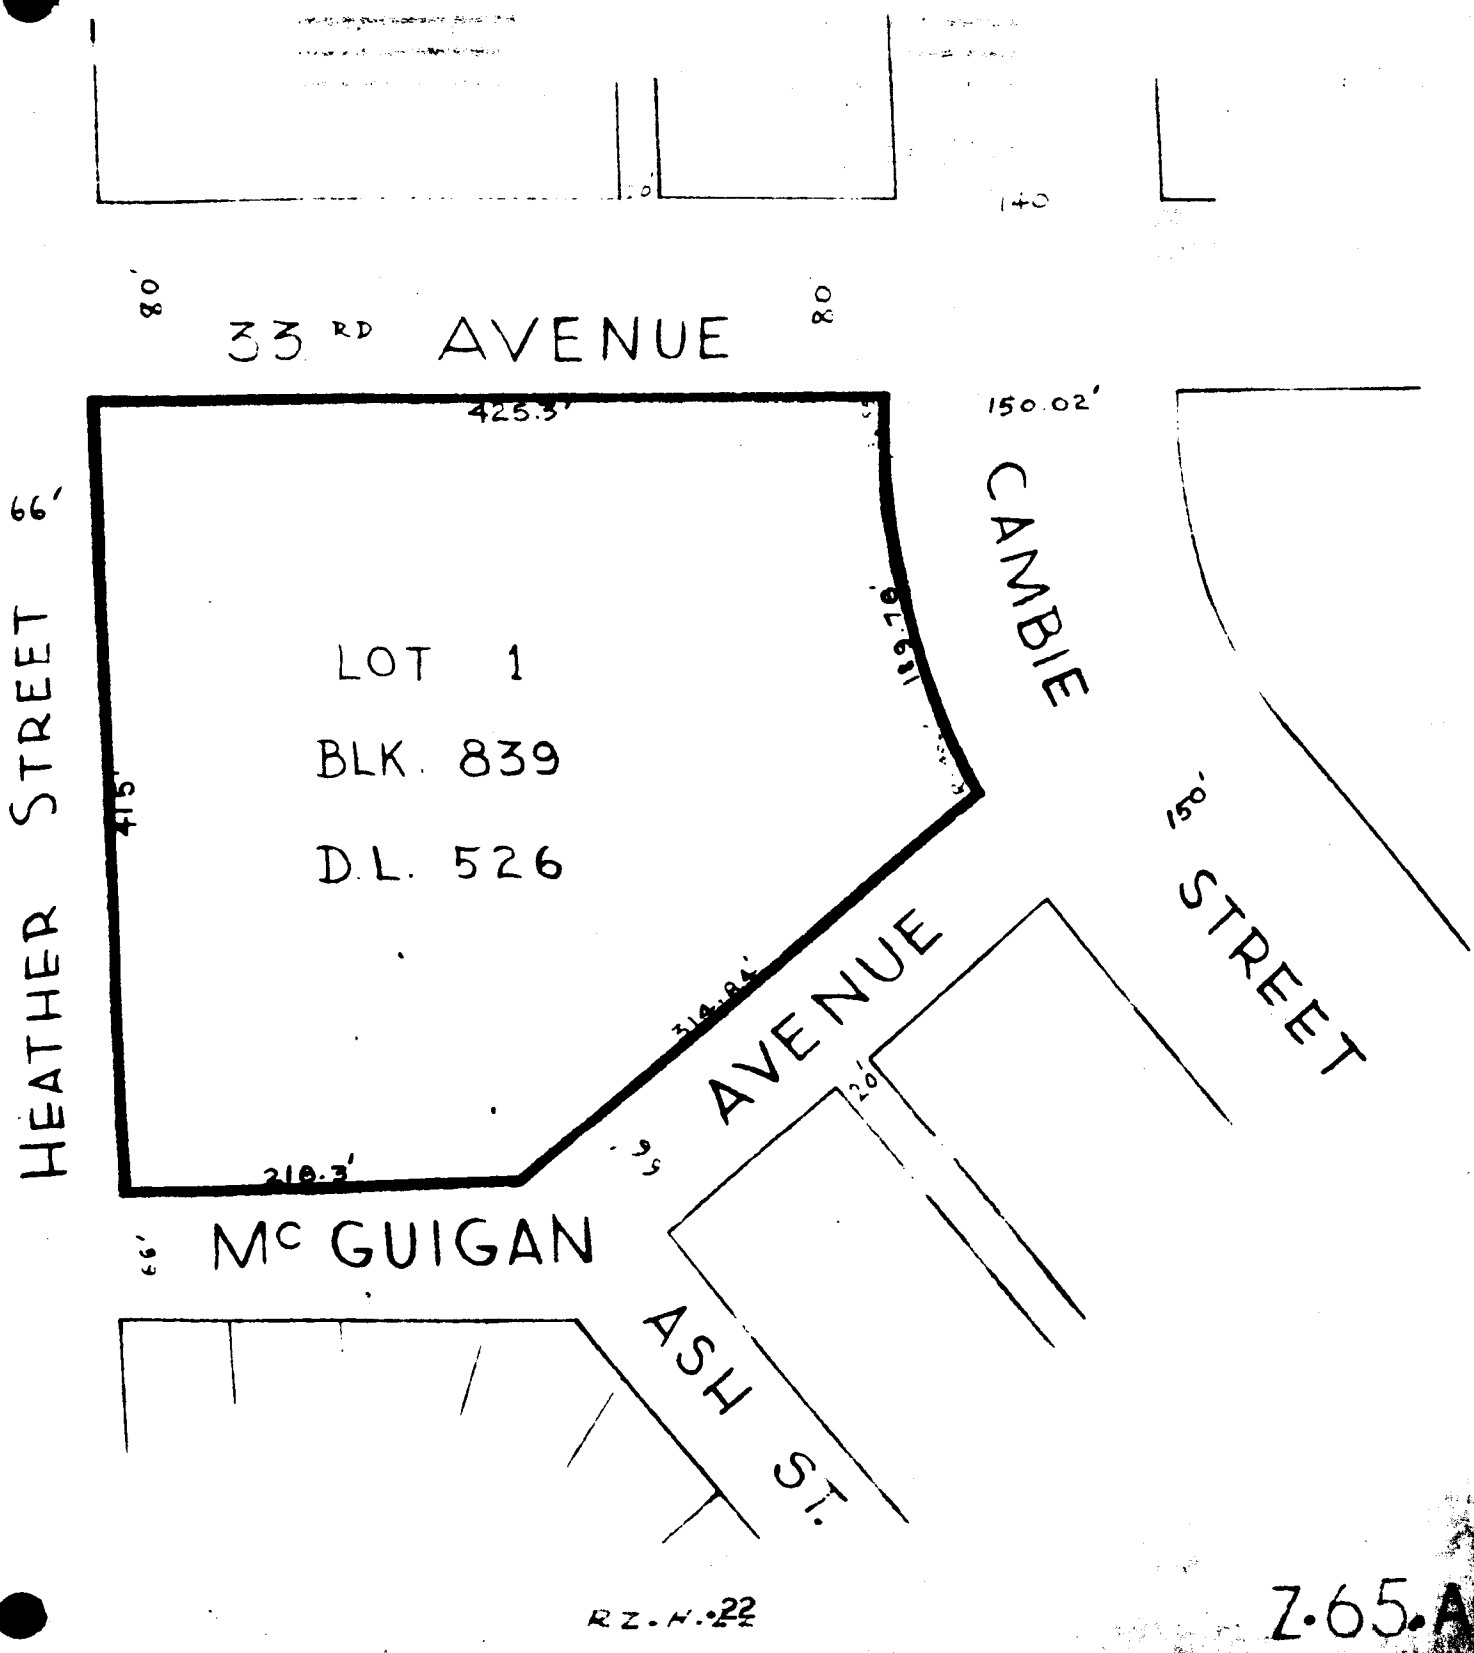

City Clerk.

I hereby certify that the foregoing is a correct copy of a By-law duly passed by the Council of the City of Vancouver on the 31st day of January, 1961, and numbered 3897.

City Clerk.

BYLAW NO. 3897 BEING A BYLAW TO AMEND ZONING & DEVELOPMENT BY-LAW NO. 3575

THE LOT SHOWN BELOW OUTLINED IN RED IS REZONED FROM (RB-1) ONE FAMILY DWELLING DISTRICT TO (CD-1) COMPREHENSIVE DEVELOPMENT DISTRICT.

CITY OF VANCOUVER

SPECIAL COUNCIL MEETING MINUTES

January 6, 1998

A Special Meeting of the Council of the City of Vancouver was held on Tuesday, January 6, 1998, at 7:30 p.m., in Council Chamber, third Floor, City Hall, for the purpose of holding a Public Hearing to consider proposed amendments to the Zoning and Development By-law.

PRESENT: Mayor Philip Owen
 Councillor Don Bellamy
 Councillor Nancy A. Chiavario
 Councillor Alan Herbert
 Councillor Lynne Kennedy
 Councillor Daniel Lee
 Councillor Don Lee
 Councillor Gordon Price
 Councillor Sam Sullivan

ABSENT: Councillor Jennifer Clarke (Sick Leave)
 Councillor George Puil (Sick Leave)

CLERK TO THE COUNCIL: Nancy Largent

COMMITTEE OF THE WHOLE

MOVED by Cllr. Bellamy,

SECONDED by Cllr. Price,

THAT this Council resolve itself into Committee of the Whole, Mayor Owen in the Chair, to consider proposed amendments to the Zoning and Development By-law.

- CARRIED UNANIMOUSLY

1. Text Amendment: 5338-5490 Larch Street

An application by the Director of Land Use and Development was considered as follows.

Summary: The proposed text amendment to By-law No. 7829 would permit exclusion of below-grade storage spaces as shown in development plans approved in principle at Public Hearing on June 26, 1997 and approved by Council on December 9, 1997 as the Form of Development. The exclusion provision was inadvertently omitted from the

posted draft By-law.

The Director of Central Area Planning, on behalf of Land Use and Development, recommended approval.

Staff Comments

Tom Phipps, Planner, briefly reviewed the application. Mr. Phipps noted the text amendment would create no new floor space, would not change the form of development, and is a standard exclusion.

Summary of Correspondence

No correspondence was received on this application.

Speakers

The Mayor called for any speakers on this item, but none came forward.

Council Decision

Noting the lack of opposition to this standard exclusion, Council was disposed to approve it as recommended.

MOVED by Cllr. Don Lee,

THAT the application be approved.

- CARRIED UNANIMOUSLY

2. Text Amendment: 4950 Heather Street/4925 Cambie Street

An application by Davidson Yuen Simpson Architects was considered as follows:

Summary: The proposed amendment to the CD-1 would permit an addition to a seniors care facility (Youville Residence) and a new building for uses accessory to the existing church (Holy Name Church).

The Director of Central Area Planning, on behalf of Land Use and Development, recommended approval, subject to the following conditions as proposed for adoption by resolution of Council:

(a) THAT the proposed changes to the form of development for 4950 Heather Street (Lot B) be approved by Council in principle, generally as prepared by Davidson Yuen Simpson Architects, and stamped "Received City Planning Department, June 4, 1997", provided that the Director of Planning may allow minor alterations to this form of development when approving the detailed scheme of development as outlined in (b) below.

(b) THAT, prior to approval by Council of the changes to the form of development for Lot B (4950 Heather Street), the applicant shall obtain approval of a development application by the Director of Planning, who shall have particular regard to the

following:

- (i) design development to achieve compatibility with the adjacent residential neighbourhood with respect to issues of daylight, view, privacy and overlook, as well as the compatibility of the proposed form of development in terms of massing and composition;
- (ii) design development to achieve compatibility with the existing buildings on Lots B and C, with respect to massing, composition, materials and details;
- (iii) provision of a landscape plan to integrate the surface parking and entrance to the underground parking with the pedestrian oriented precinct between the church and the special needs residential facility;
- (iv) provision of a tree retention, relocation and removal plan as part of the landscape plan submission; and

Cont'd

Clause No. 2 cont'd

(v) design development to improve security and visibility in underground parking, in accordance with section 4.12 of the Parking By-law, by ensuring that the garage is secured, by locating the exit stairs within view of the residents, and by painting the walls and ceiling of the parking garage white.

(c) THAT, changes to the form of development for 4925 Cambie Street (Lot C) be approved by Council before any development permit is issued.

(d) THAT, prior to approval by Council of the changes to the form of development for Lot C (4925 Cambie Street), the applicant shall obtain approval of a development application by the Director of Planning, who shall have particular regard to the following:

- (i) the compatibility of the proposed development to the adjacent residential neighbourhood with respect to issues of daylight, view, privacy and overlook, as well as the compatibility of the proposed form of development in terms of massing and composition;
- (ii) the compatibility with the existing buildings on Lots B and C, with particular regard for the Holy Name Church, with respect to massing, composition, materials, and details;
- (iii) submission of a detailed landscape plan, integrating the surface parking and entrance to the underground parking with the pedestrian oriented precinct between the church and the special needs residential facility and including a tree retention, relocation and removal plan; and
- (iv) provision of a long-term phasing plan to indicate proposed interim site use and development should the applicant intend to phase the development of the site.

(e) THAT, prior to enactment of the amending By-law and at no cost to the City, the registered owners shall:

- (i) make suitable arrangements to the satisfaction of the General Manager of Engineering

Services and the Director of Legal Services for:

(1) clarification of the two easement and indemnity agreements charged to the land title of the site (a charge summary should be provided); and

Cont'd

Clause No. 2 cont'd

(2) provision of a reciprocal right of way agreement that will allow for the shared use of the driveway and manoeuvring aisles that are proposed between Lots B and C;

(ii) make suitable arrangements, to the satisfaction of the General Manager of Engineering Services, for the provision of:

(1) upgrading the sewer main serving the site;

(2) undergrounding of all utilities from the closest existing suitable service point; and

(3) street trees adjacent to the site.

Staff Comments

Dave Thomsett, Senior Planner, reviewed the application, noting it consists of two components: a two-story addition to the seniors' intermediate care facility (Youville residence); and a new building (parish building) for church uses by Holy Name Church. At the time that the existing CD-1 zoning was approved, Council indicated it would not consider any revision unless a long-range plan were in place. Staff consider that the current application meets this condition. Although there is no Form of Development provided for the parish building, staff have proposed guidelines suitable for a phased development of this type.

Mr. Thomsett also commented on various issues raised by staff and the community, noting that many of these have been resolved. Both FSR and height have been reduced for greater compatibility with the adjacent residential neighbourhood. Several proposed uses for the parish building have been deleted, as it was questionable to what extent they could be considered "ancillary to Church use". The deleted uses included the library, health care unit, public cafeteria, and temporary (crisis) housing. Landscaping is being retained. There will actually be a significant increase in parking, with final numbers dependent on what is ultimately built. However, Mr. Phipps indicated the applicant is seeking a parking relaxation.

Cont'd

Clause No. 2 cont'd

Applicant Comments

John Davidson, applicant, described the history of the Youville residence, and indicated it has become inadequate to meet the needs of its increasingly frail residents. If upgrading were to proceed without expanding the size of the building, there would be a significant reduction in the number of beds. The current proposal will upgrade the facility to better meet the needs of existing residents, and will enable operations to continue on an economically viable scale; but there will be no expansion of service.

Regarding various concerns which have been expressed during the process, Mr. Davidson indicated that density and height have been reduced about 25% in response. The provision of more parking on site is expected to improve the situation for the neighbourhood, since that now provided is well below the current parking standard. Traffic is not expected to approach the capacity of the street, and entrances and exits will be configured to encourage use of the 33rd Avenue arterial rather than the residential McGuigan Avenue. Plans for the parish building will evolve over time, with much dependent on the church's fund-raising efforts. For that reason, there may not be as much parking needed for the ancillary uses as would be required if built for the maximum uses envisioned. For that reason, the church would like to see the parking requirement relaxed if the eventual uses do not require as much parking.

Responding to questions, Mr. Davidson described the current and projected dimensions of the Youville residence. The additions are two stories, 26 to 28 feet. With respect to the parking relaxation, Mr. Davidson clarified that Holy Name Church has no difficulty with the by-law requirement for Youville and for the church, but is concerned about the requirement to provide one additional space per each 40 square metres for the ancillary use space, since the number of spaces which may actually be needed will vary dependent upon which uses are finally arrived at. However, the church is prepared to accept the requirements set by the Parking By-law, if necessary.

Paul Pinsker, Transportation Engineer, was asked to provide clarification regarding the parking requirement. Mr. Pinsker advised there could potentially be a difference of up to 30 spaces, depending on the ancillary uses realized. Section 1.4.9 of the Parking By-law does allow staff the discretion to take specific uses into account in determining the ultimate parking provision.

Cont'd

Clause No. 2 cont'd

Summary of Correspondence

The following correspondence was received on this application:

140•1 letter of support forwarding a petition bearing 139 signatures; 140

140•6 letters opposed to the application; 140

140•1 letter opposed to the application forwarding 25 form letters, of which 18 cited specific concerns and 7 cited no specific concerns. 140

Speakers

Mayor Owen called for speakers for and against the application, and six speakers were heard.

The following four speakers opposed the application:

David Sinclair, Cambie Residents Association (also read letter

From Thomas Teed; on file)

Pakho Lam, 600 Block McGuigan Avenue

Thomas Har, 600 Block West 33rd Avenue

Joe Myzak, Holy Name Church parishioner.

The foregoing opposed the application based upon one or more of the following grounds:

140•a canvass of the neighbourhood carried out in 1995 indicated that 31% did not want an expansion of this facility based on concerns such as parking, traffic, noise, and added height and density, and many do not feel these concerns have been adequately dealt with; 140

140•recent figures from the media and the Vancouver-Richmond Health Board indicate that the number of seniors will be declining, and that there is no critical need for additional seniors' beds; 140

140•operating funds may not be forthcoming from the provincial government even if the residence expansion is approved; 140

140•the expansion of these facilities will cause more noise, traffic, and strangers in the neighbourhood; 140

140•the parking will eventually be made pay parking, and people will use the streets instead; 140

Cont'd

Clause No. 2 cont'd

140•the sixth floor of the Youville residence is not occupied, and there is only one priest in the rectory, so an expansion is not needed at this time; 140

140•there is a continuing decline in church attendance, with projections of a 60-65% decrease over the next 30 years; 140

140•many of the proposed uses are not suitable to a church, and will create a commercial building; 140

140•the church park should not be destroyed to create a commercial building. 140

In response to questions, Mr. Davidson provided further information on the residence renovations, which will enlarge the room sizes and improve such amenities as plumbing. All rooms in the residence are single rooms. Mr. Davidson also indicated there is no intent to charge for parking.

In response to questions, Karen Mothersill, residence manager, advised that the sixth floor of the Youville residence is a convent occupied by seven sisters. With regard to the need for seniors' beds, the residence has a two-year waiting list.

The following two speakers supported the application:

Gabriela Buttner, 1100 Block West 8th Avenue;

Francisco Cabanas, 3100 Block West 14th Avenue.

The foregoing supported the application based upon one or more of the following grounds:

140•church volunteers have very little space available, and the proposed development will include needed additional meeting rooms and classroom space; 140

140•the Youville residence renovation is a good thing for the elderly who need beds; 140

140•the same classes and volunteer activities will continue to be carried out; they will simply be carried out in better, more comfortable facilities; 140

140•this development is designed to meet the long-term needs of the facility, which are not expected to decline; 140

140•Vancouver is a growing city with a large immigrant population, and the parish has not observed attendance going down. 140

The Mayor called for any further speakers, but none came forward.

Cont'd

Clause No. 2 cont'd

Staff Closing Comments

In response to a query, Mr. Thomsett was unable to provide statistics regarding the need for additional seniors beds in Vancouver, but pointed out that there will be no increase in beds resulting from the renovation of the Youville residence. Rather, renovations will improve the facility for its current residents. The Ministry of Health has already approved funding. Mr. Thomsett also reiterated that the originally proposed uses which were not properly ancillary to church use have been deleted; staff consider the list of uses remaining to be church-related.

Mr. Pinsker advised that the applicant did study traffic and parking issues in some depth. No increase in parking demand is expected for the church or the residence, but a minor potential increase is expected in connection with the parish building. The balance sheet should be approved by 20 additional spaces, possibly more depending on parish building uses. Mr. Pinsker indicated it may also be possible, at the development permit stage, to further refine the McGuigan Avenue exit and other features so as to reduce traffic circulating on neighbourhood streets and otherwise address neighbourhood concerns.

Applicant Closing Comments

Mr. Davidson declined the opportunity for closing comments.

Queried regarding the criteria required to be a resident, Ms. Mothersill explained the criteria required by the Ministry of Health for admission to an intermediate care facility.

Oberto Oberti, architect for the project, assured Council there is no intention to put the

parish building to any commercial use, nor does the application contemplate it.

Council Decision

Council was generally disposed to approve this application. Following are some of the of the points which Council cited as rationale for approval:

140•there are long waiting lists for seniors' beds at many care facilities, and placements are often difficult to obtain; 140

140•larger rooms will be a real benefit to residents at Youville; 140

140•Council has seen statistics suggesting that the number of seniors is increasing; 140

140•seniors will require services in their neighbourhoods; 140

Cont'd

Clause No. 2 cont'd

140•although speakers at Public Hearings often express such concerns, they are seldom borne out; Council very rarely receives complaints regarding such facilities after they are in operation; 140

140•the church has met Council's requirement to provide a long-range plan. 140

Council was not disposed to approve a parking relaxation, feeling there is sufficient flexibility in the existing Parking By-law to prevent an onerous requirement on the church should eventual uses require less parking. However, Council decided to make this explicit, and amended the Draft By-law accordingly.

MOVED by Cllr. Bellamy:

THAT the application be approved with the conditions set out in this Minute of the Public Hearing;

FURTHER THAT Section 6 (c) of the Draft By-law be amended to read as follows:

(c)for all other uses, including accessory uses to Church, a minimum of 1 space for each 40 m² of floor area must be provided subject to Section 4.1.9. of the Parking By-law.

BY-LAW NO. 8078

A By-law to amend By-law No. 3897, being a By-law
which amended the Zoning and Development By-law
by rezoning an area to CD-1

THE COUNCIL OF THE CITY OF VANCOUVER, in open meeting assembled,
enacts as follows:

1. By-law No. 3897 is amended by renumbering Section 2 as Section 8 and by inserting after Section 1 the following:

"2. Uses

The area shown included within the heavy black outline on Schedule "D" to this By-law shall be more particularly described as CD-1(10), and the only uses permitted within the outlined area, subject to such conditions as Council may by resolution prescribe, and the only uses for which development permits will be issued are

- (a) Child Day Care Facility,
- (b) Church,
- (c) Special Needs Residential Facility - Community Care - Class B, and
- (d) Accessory Uses customarily ancillary to the above uses, but limited to rectory, offices, classrooms and meeting rooms on Lot C, as shown on Diagram 1 below.

3. Floor Space Ratio

3.1 The floor space ratio must not exceed 1.00 on Lot B and 0.70 on Lot C, both as shown on Diagram 1 below. For the purpose of computing floor space ratio, Lot B is deemed to be 10 095 m² and Lot C is deemed to be 4 969 m², being their sizes at time of application for rezoning, prior to any dedications.

Diagram 1

3.2 The following will be included in the computation of floor space ratio:

- (a) all floors having a minimum ceiling height of 1.2 m, including earthen floor, both above and below ground level, to be measured to the extreme outer limits of the building; and
- (b) stairways, fire escapes, elevator shafts and other features which the Director of Planning considers similar, to be measured by their gross cross-sectional areas and included in the measurements for each floor at which they are located.

3.3 The following will be excluded in the computation of floor space ratio:

- (a) open residential balconies or sun decks, and any other appurtenances which, in the opinion of the Director of Planning, are similar to the foregoing;

- (b) patios and roof gardens, provided that the Director of Planning first approves the design of sunroofs and walls;
- (c) where floors are used for off-street parking and loading, bicycle storage, heating and mechanical equipment, or uses which in the opinion of the Director of Planning are similar to the foregoing, those floors or portions thereof so used, which:
 - (i) are at or below the base surface, provided that the maximum exclusion for a parking space will not exceed 7.3 m in length; or
 - (ii) are above the base surface and where developed as off-street parking are located in an accessory building situated in the rear yard, provided that the maximum exclusion for a parking space will not exceed 7.3 m in length; and
- (d) amenity areas on Lot B, including recreation facilities and meeting rooms, to a maximum total of 10 percent of the total building floor area.

4. Height

The maximum building height measured above the base surface is 18.3 m on Lot B and 10.7 m on Lot C.

5. Setbacks

5.1 A landscaped setback of 7.6 m from all property boundaries must be provided, except for buildings existing as of October 5, 1999 the depth of or the requirement of a landscaped setback may be relaxed by the Director of Planning.

5.2 The Director of Planning may permit a setback of 4.6 m from the interior property lines between Lots B and C.

5.3 The Director of Planning may permit surface parking and loading within the landscaped setback between Lots B and C where satisfied that a reduced setback will improve the siting of a building and its relationship to surrounding development.

6. Off-Street Parking and Loading

Off-street parking and loading for vehicles and spaces for bicycles must be provided, developed and maintained in accordance with the applicable provisions of the Parking By-law, except that

- (a) for Special Needs Residential Facility - Community Care- Class B, a minimum of 1 space for every 6 beds must be provided for staff and 1 space for every 10 beds must be provided for visitors,
- (b) for Church, a minimum of 1 space for each 9.3 m² of floor area used for assembly purposes must be provided, except that where two or more separate areas of assembly exist within a site and are not used concurrently, the Director of Planning may require parking for only the largest of these areas, and
- (c) for all other uses, including accessory uses to Church, a minimum of 1 space for each 40 m² of floor area must be provided, subject to Section 4.1.9 of the Parking By-law.

7. Acoustics

All development permit applications require evidence in the form of a report and recommendations prepared by a person trained in acoustics and current techniques of noise measurement, demonstrating that the noise levels in those portions of the dwelling units listed below will not exceed the noise level set opposite such portions. For the purposes of this section the noise level is the A-weighted 24-hour equivalent (Leq) sound level and will be defined simply as noise level in decibels.

PORTIONS OF DWELLING UNITS

NOISE LEVELS (DECIBELS)

bedrooms	35
living, dining, recreation rooms	40
kitchen, bathrooms, hallways	45"

2. This By-law comes into force and takes effect on the date of its passing.

DONE AND PASSED in open Council this 5th day of October, 1999.

~~(Councillor Clarke absent for the vote)~~

3. Amend Business Premises Regulation of Hours By-law No. 8022

By-law No. 8080

MOVED by Cllr. Herbert,
SECONDED by Cllr. Sullivan,
THAT the By-law be introduced and read a first time.

CITY OF VANCOUVER

SPECIAL COUNCIL MEETING MINUTES

FEBRUARY 24, 2000

A Special Meeting of the Council of the City of Vancouver was held on Thursday, February 24, 2000, at 7:35 p.m., in Council Chambers, Third Floor, City Hall, for the purpose of holding a Public Hearing to consider proposed amendments to the Zoning and Development By-law and Official Development Plans.

PRESENT: Mayor Philip Owen
 Councillor Fred Bass
 Councillor Jennifer Clarke
 Councillor Daniel Lee
 Councillor Don Lee
 Councillor Sandy McCormick
 Councillor Sam Sullivan

ABSENT: Councillor Lynne Kennedy
 Councillor Tim Louis
 Councillor Gordon Price (Sick Leave)
 Councillor George Puil (Civic Business)

CITY CLERK'S OFFICE: Tarja Tuominen, Meeting Coordinator

COMMITTEE OF THE WHOLE

MOVED by Cllr. Don Lee,
 SECONDED by Cllr. Daniel Lee,

THAT this Council resolve itself into Committee of the Whole, Mayor Owen in the Chair, to consider proposed amendments to the Zoning and Development By-law and Official Development Plans.

- CARRIED UNANIMOUSLY

1. Text Amendments: District Schedules, Official Development Plans and

CD-1 By-laws - Floor Space Exclusions

[Barrett Commission]

An application by the Director of Current Planning was considered as follows:

Summary: The proposed text amendments would provide floor space exclusions to provide construction incentives to control building envelope leaks.

The Director of Current Planning recommended approval.

Staff Comments

Jacqui Forbes-Roberts, General Manager of Community Services, provided a brief introduction to the report, noting the proposed text amendments would affect new construction and repairs and restoration of existing buildings. Ms. Forbes-Roberts also requested an amendment to the proposed draft by-law to amend By-law 3575 to add RS1 to Section 4.7.3, (d).

Doug Watts, Building Envelope Specialist, with the aid of a slide presentation, described the specifics of the technical and different design issues of the proposed amendments, and explained what steps other municipalities have taken to address the recommendations arising from the Barrett Commission.

Summary of Correspondence

Council was advised the following correspondence was received since the date the application was referred to Public Hearing:

one letter in support of 'Option A'.

Speakers

Mayor Owen called for speakers for and against the application.

The following spoke in support of 'Option A':

John Fowler, Canadian Precast/Prestressed Concrete Institute
Bill McEwen, Masonry Institute of British Columbia (brief filed)
Peter Reese

The foregoing speakers supported 'Option A' based on one or more of the following points:

application of the current FSR calculations has prevented a wide-spread use of precast concrete exterior walls; there have been very few problems with the use of pre-cast concrete, which has proven to be a versatile and durable material;
thicker exterior walls are better walls, because they can include an airspace cavity behind the cladding which provides a "rainscreen" system, more efficient insulation, thicker, more durable cladding materials; current FSR calculations discourage the foregoing;
the proposed changes in FSR definitions will immediately encourage better wall design;
brick and stone-faced walls should be encouraged.

The following generally supported 'Option A' but felt the proposed text amendments should be referred back to staff for further study and discussion with the industry:

John O'Donnell, AIBC
Stuart Howard, Vancouver Planning Coalition

The following is a summary of the foregoing speakers' comments:

Option 'A' is supported in principle; however the text amendments also should address overhangs, balconies, elevated walkways, yard setbacks, and site coverage; staff should accept the electronic calculation of areas and the calculations of the Architect, given under seal; letters of assurance from a building envelope specialist are redundant at an early stage; the proposed text amendments should cover everything instead of the City issuing administrative bulletins to address further changes.

Staff Closing Comments

Ralph Segal, Planner; Eric Fiss, Planner; and Doug Watts responded to the issues raised by the speakers: the proposed text amendments are the result of a fair bit of consultation with the industry; a building envelope specialist is required to be involved in the process earlier as technical details are to be submitted at the development permit stage; staff are taking a further look at other issues, such as recesses, balconies and walkways.

Ms. Forbes-Roberts advised Council may proceed with the proposed amendments to the floor space exclusions and request staff to come back with additional amendments. Staff and the industry would prefer the FSR exclusions not be delayed.

MOVED by Cllr. Don Lee,

A. THAT the application by the Director of Current Planning to amend various District Schedules, Official Development Plans and CD-1 By-laws to provide floor space exclusions to provide construction incentives to control building envelope leaks be approved.

FURTHER THAT the draft By-law 3575, section 4.7.3, be amended as follows:

(d) as clause (h) in the following district schedules:

RS-1 and RS-1S RT-4, etc.

(Italics denote amendment)

B. THAT staff report back on other aspects affecting leakage of buildings, such as overhangs, protection of upper balconies, recesses, etc.

- CARRIED UNANIMOUSLY

RISE FROM COMMITTEE OF THE WHOLE

MOVED by Cllr. Don Lee,

THAT the Committee of the Whole rise and report.

- CARRIED UNANIMOUSLY

ADOPT REPORT OF COMMITTEE OF THE WHOLE

MOVED by Cllr. Clarke,
SECONDED BY Cllr. Don Lee,

THAT the report of the Committee of the Whole be adopted, and the Director of Legal Services be instructed to prepare and bring forward the necessary by-law amendments.

- CARRIED UNANIMOUSLY

The Special Council adjourned at 9:20 p.m.

EXPLANATION

Zoning and Development By-law
By-law No. 3897
4925 Cambie Street and 4950 Heather Street
Text Amendment to Provide Uses and Regulations

Following a public hearing on January 6, 1998 Council approved the above noted application. The Director of Current Planning has advised that all of the prior-to conditions have now been fulfilled. The attached by-law, which has been amended as requested by Council, can therefore be enacted to implement Council's resolution.

Director of Legal Services
5 October 1999

being By-laws which amended the
Zoning and Development By-law
by rezoning areas to CD-1

THE COUNCIL OF THE CITY OF VANCOUVER, in open meeting
assembled, enacts as follows:

1. By-law No. 3907 is amended in Section 2 by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

2. By-law No. 4412 is amended in Section 2 by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

3. By-law No. 5376 is amended in Section 2 by deleting the period from the end of subclause (iii) and substituting it with a semi-colon and by adding the following subclause:

"(iv) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this subclause shall not apply to walls in existence prior to March 14, 2000."

4. By-laws No. 4825 and 6325 are each amended in Section 3 by deleting the period from the end of subclause (ii) and substituting it with a semi-colon and by adding the following subclause:

"(iii) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this subclause shall not apply to walls in existence prior to March 14, 2000."

5. By-law No. 5343 is amended in Section 3 by deleting the period from the end of clause (iii) and substituting it with a semi-colon and by adding the following clause:

"(iv) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000"

6. By-laws No. 4775, 4829, 5222, 5224, 5773 and 6039 are each amended in Section 3 by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the

Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

7. By-laws No. 4085, 5411, and 5416 are each amended in Section 3 by deleting the period from the end of clause (c) and substituting it with a semi-colon and by adding the following clause:

"(d) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

8. By-law No. 5407 is amended in Section 3 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

"(e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

9. The By-laws listed below are each amended in Section 3 by adding the following section:

"3.1 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

3568 3712 3885 4271 4358 4634 4674 4861 4900 4918 4926 4928
4930 4940 4958 4999 5009 5011 5014 5028 5060 5145 5179 5184
5229 5418 5477 5836 5838 5863 5937 5950 5975 5976 4954 6041
6064 6072 6117 6155 6161 6180 6245 6246 6260 6263 6277 6297
6305 6307 6394 6420 6425 6427 6428 6429 6448 6449 6489 6538
6577 6594 6564 6654 6663 6759 6760 6779 6876 6911

10. By-laws No. 6314 and 6582 are each amended in Section 3.1 by deleting the period from the end of clause (ii) and substituting it with a semi-colon and by adding the following clause:

"(iii) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

11. By-law No. 6272 is amended in Section 3.1 by deleting the word "and" from the end of subclause (c)(i), by deleting the period from the end of subclause (c)(ii) and substituting it with a semi-colon and by adding the following subclause:

"(iii) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

12. By-law No. 4580 is amended in Section 3.2 by deleting the period at the end of the section and substituting it with a semi-colon, by relettering the existing text as clause (a) and by adding the following clause:

"(b) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

13. By-law No. 6884 is amended in Section 3.1 by deleting the word "and" from the end of clause (a), by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

14. By-law No. 5683 is amended in Section 3.2 by deleting the period at the end of this section and substituting it with a semi-colon and by adding the following clause:

"(b) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor

space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

15. By-law No. 8088 is amended in Section 3.2 by adding the following clause:

"(d) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

16. By-law No. 6009 is amended in Section 3.2 by deleting the period at the end of subclause (e)(vii) and substituting it with a semi-colon and by adding the following clause:

"(f) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

17. By-law No. 4677 is amended in Section 3.2 by deleting the period at the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

18. The By-laws listed below are each amended in Section 3 by adding the following section:

"3.3 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

4238 4860 5579 5717 5810 5852 5890 6057 6070 6310 6312 6313
6316 6320 6361 6363 6423 6528 6714 6715

19. By-law No. 7684 is amended in Section 3.3 by deleting the period from the end of clause (a) and substituting it with a semi-colon and by adding the following clause:

"(b) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

20. The By-laws listed below are each amended in Section 3.3 by deleting the and from clause (a) and by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

7705 7459 7435 7434 7419 7389 6718

21. The By-laws listed below are each amended in Section 3.3 by deleting the period from the end of clause (c) and substituting it with a semi-colon and by adding the following clause:

"(d) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

5458 5548 5597 6962 7045 7682

22. The By-laws listed below are each amended in Section 3.3 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

"(e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

26. By-laws No. 4559, 7209, 7425 and 7431 are each amended in Section 3.3 by deleting the period from the end of clause (h) and substituting it with a semi-colon and by adding the following clause:

"(i) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

27. By-laws No. 5997 and 7829 are each amended in Section 3.3 by deleting the period from the end of clause (i) and substituting it with a semi-colon and by adding the following clause:

"(j) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

28. The By-laws listed below are each amended in Section 3 by adding the following section:

"3.4 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

5762 5927 6315 6317 6318 6319 6321 6323 6362

29. By-law No. 7980 is amended

(a) in Section 3.4 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

"(e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000.", and

(b) in Section 3.7 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

30. By-laws No. 7087 and 7174 are each amended in Section 3.4 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

31. By-law No. 7246 is amended in Section 3.4 by deleting the period from the end of clause (h) and substituting it with a semi-colon and by adding the following clause:

"(i) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

32. By-laws No. 8034, 8043 and 8116 are each amended in Section 3.4 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

33. By-laws No. 6322 and 6597 are each amended in Section 3 by adding the following section:

"3.5 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

34. By-law No. 8016 is amended in Section 3.5 by deleting the period from the end of clause (g) and substituting it with a semi-colon and by adding the following clause:

"(h) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

35. By-law No. 8055 is amended in Section 3.5 by deleting the period from the end of clause (h) and substituting it with a semi-colon and by adding the following clause:

"(i) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

36. By-law No. 8130 is amended in Section 3.6 by deleting the period from the end of clause (e) and substituting it with a semi-colon and by adding the following clause:

"(f) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

37. By-law No. 7648 is amended in Section 3.6 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

38. By-laws No. 6063 and 6221 are each amended in Section 3 by adding the following section:

"4.1 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

39. By-law No. 5555 is amended in Section 4 by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

40. By-law No. 5705 is amended in Section 4 by adding the following section:

"4.3 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

41. By-law No. 7371 is amended in Section 4.3 by deleting the period from the end of clause (a) and substituting it with a semi-colon and by adding the following clause:

"(b) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

42. By-law No. 7249 is amended in Section 4.3 by deleting the period from the end of clause (c) and substituting it with a semi-colon and by adding the following clause:

"(d) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

43. By-laws No. 5702 and 7673 are each amended in Section 4.3 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

"(e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

44. By-laws No. 6819 and 7238 are each amended in Section 4.3 by deleting the period from the end of clause (e) and substituting it with a semi-colon and by adding the following clause:

"(f) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

45. The By-laws listed below are each amended in Section 4.3 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

3632 3706 4131 7649 7995 8073 8097

46. By-law No. 5381 is amended in Section 4.3.3 by adding after the existing text the following:

" - where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

47. By-law No. 7592 is amended in Section 4.4 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

"(e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

48. By-law No. 6883 is amended in Section 4.4 by deleting the period from the end of clause (e) and substituting it with a semi-colon and by adding the following clause:

"(f) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

49. By-laws No. 4037 and 7405 are each amended in Section 4.4 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum

exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

50. By-law No. 7201 is amended in Section 4.5 by deleting the period from the end of clause (c) and substituting it with a semi-colon and by adding the following clause:

"(d) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

51. By-law No. 5383 is amended in Section 5 by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

52. By-law No. 6533 is amended in Section 5.2.4 by deleting the period at the end of the existing text and substituting it with a semi-colon and by adding the following:

" - where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

53. By-law No. 7654 is amended in Section 5.3 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

54. By-law No. 7677 is amended in Section 5.3 by deleting the period from the end of clause (g) and substituting it with a semi-colon and by adding the following clause:

"(h) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum

exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

55. By-laws No. 7675, 7681 and 8109 are each amended in Section 5.3 by deleting the period from the end of clause (h) and substituting it with a semi-colon and by adding the following clause:

"(i) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

56. By-laws No. 3865 and 6475 are each amended in Section 5.3.3 by deleting the period from the end of the existing text and substituting it with a semi-colon and by adding the following:

" - where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

57. By-law No. 7879 is amended in Section 5.4 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

58. By-law No. 8131 is amended in Section 5.4 by deleting the period from the end of clause (j) and substituting it with a semi-colon and by adding the following clause:

"(k) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

59. By-law No. 6169 is amended in Section 6 by adding the following section:

"6.1 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the

Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

60. By-law No. 7679 is amended in Section 6.3 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

"(e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

61. By-law No. 7317 is amended in Section 6.3 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

62. By-laws No. 7156, 7200, and 7232 are each amended in Section 6.3 by deleting the period from the end of clause (g) and substituting it with a semi-colon and by adding the following clause:

"(h) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

63. By-law No. 7461 is amended in Section 6.3 of Schedule B by deleting the period from the end of clause (h) and substituting it with a semi-colon and by adding the following clause:

"(i) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

64. By-law No. 7248 is amended in Section 6.3 by deleting the period from the end of clause (i) and substituting it with a semi-colon and by adding the following clause:

"(j) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

65. By-law No. 6744 is amended in Section 6.3 by deleting the period from the end of clause (j) and substituting it with a semi-colon and by adding the following clause:

"(k) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

66. By-laws No. 6747 and 7204 are each amended in Section 7.3 of Schedule B, by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

67. By-law No. 6757 is amended in Section 7.3 by deleting the period from the end of clause (g) and substituting it with a semi-colon and by adding the following clause:

"(h) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

68. By-law No. 6254 is amended in Section 8 by deleting the period from the end of the second clause (a), which clause ends with the word "computation", and substituting a semi-colon and by inserting the following clause:

"(b) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000;"

69.

This By-law comes into force and takes effect on the date of its passing.

DONE AND PASSED in open Council this 14th day of March , 2000.

3. This By-law is to come into force and take effect on the date of its enactment.

ENACTED by Council this 24th day of June, 2008

Mayor

City Clerk

EXPLANATION

A By-law to amend certain CD-1 By-laws re special needs residential facilities

After the public hearing on June 10, 2008, Council resolved to amend certain CD-1 By-laws to refer to community care facilities rather than special needs residential facilities. The Director of Planning has advised that there are no prior-to conditions, and enactment of the attached by-law will implement Council's resolution.

Director of Legal Services
June 24, 2008

17. **A By-law to authorize Council entering into a Heritage Revitalization Agreement with the Owner of Heritage Property (re 2978 West 5th Avenue) (By-law No. 9687)**
(Councillors Ball, Cadman and Louie ineligible to vote)
18. **A By-law to designate certain real property as protected heritage property (re 2978 West 5th Avenue) (By-law No. 9688)**
(Councillors Ball, Cadman and Louie ineligible to vote)

MOVED by Councillor Lee
SECONDED by Councillor Stevenson

THAT Council, except for those members excused as noted in the agenda, enact the by-laws listed on the agenda for this meeting as numbers 3 to 7, 9, 10 and 16, and authorize the Mayor and City Clerk to sign and seal the enacted by-laws.

CARRIED UNANIMOUSLY
(Councillor Louie absent for the vote)

3. **A By-law to amend Zoning and Development By-law No. 3575 (re special needs residential facilities) (By-law No. 9673)**

4. TEXT AMENDMENT: SNRF ZONING AND DEVELOPMENT BY-LAW REVISIONS

An application by the Director of Planning was considered as follows:

Summary: To amend the definitions of Special Need Residential Facilities (SNRF) in the Zoning & Development By-law and make consequential changes to the Zoning & Development By-law and relevant CD-1 By-laws; amend references in the Downtown Eastside/Oppenheimer, Rental Housing Stock and First Shaughnessy Official Development Plan By-laws; and amend the Parking By-law. These are housekeeping amendments to update the definitions.

The Directors of Social Planning, Planning, Development Services, Housing Centre, Legal Services, and General Manager of Engineering Services recommended approval.

Also before Council was a memorandum from Anne Kloppenborg, Social Planning, dated May 20, 2008, which noted an addition to Appendix B of the Policy Report "Special Needs Residential Facilities: Amendments to Definitions and Guidelines" dated April 15, 2008, in order to conform with the draft By-laws prepared by staff.

Staff Opening Comments

Anne Kloppenborg, Social Planning, reviewed the application, including the memo distributed with the agenda package for the Public Hearing.

Summary of Correspondence

No correspondence had been received on this application since referral to Public Hearing.

Speakers

Sister Elizabeth Kelliher and Johnn Olldym spoke in opposition to the application.

Council Decision

MOVED by Councillor Chow

- A. THAT the application to:
 - i) amend the definitions of Special Needs Residential Facilities in section 2 of the Zoning and Development By-law, and make the necessary consequential changes to the Zoning and Development By-law and to the CD-1 By-laws listed in Appendix A; and
 - ii) amend references to "Special Needs Residential Facilities" in the Downtown Eastside/Oppenheimer, Rental Housing Stock and First Shaughnessy Official Development Plan By-laws,

generally in accordance with Appendix A and B to Policy Report "Special Needs Residential Facilities: Amendments to Definitions and Guidelines", dated April 15, 2008, be approved with the following changes to Appendix B noted in the Memorandum dated May 20, 2008, from Anne Kloppenborg, Social Planning:

In Section 1.1 of the Official Development Plan Regarding Areas of Real Property in Certain RM, FM, and CD-1 Zoning Districts, delete *special needs residential facility* and substitute *community care facility or group residence*; and in Section 2.5, delete the reference to *Special Needs Residential Facility Guidelines* and substitute *Community Care Facility and Group Residence Guidelines*.

- B. THAT Council approve amendments to the Parking By-law, generally in accordance with Appendix C to Policy Report "Special Needs Residential Facilities: Amendments to Definitions and Guidelines", dated April 15, 2008.
- C. THAT if approved at Public Hearing, the by-laws be accompanied at the time of enactment by the Community Care Facilities and Group Residences Guidelines and the Application Procedures for Development Permits for Community Care Facilities and Group Residences, as outlined in Appendix D to Policy Report "Special Needs Residential Facilities: Amendments to Definitions and Guidelines", dated April 15, 2008.
