Sign [No. 4810](#) Schedule A(C-2) <http://bylaws.vancouver.ca/consolidated/11879.pdf>

PUBLIC HEARINGS - Minutes, Reports, Posted By-laws, etc.

PH Date *August 18, 1983* - Item #2

Summary – From C-2C1 (Commercial District) to a new CD-1 (Comprehensive Development District) for a mixed-use development with 21 apartment units, a FSR of 3.0, a maximum building height of 12.192 m (40 ft.) on the northerly portion of the site. On the southerly portion, 7 townhouse units, a FSR of 0.75, a maximum building height of 10.668 m (35 ft.). An amendment to sign by-law is also proposed.

By-law enacted on *September 20, 1983*

PH Date *July 27, 1999* - Item #3 - https://council.vancouver.ca/previous_years/990727/ph990727.htm

Summary – to increase the permitted floor area in the existing seven unit townhouse project.

By-law enacted on *November 2, 1999*

PH Date *June 18, 2013* - Item #3 - <https://council.vancouver.ca/20130618/phea20130618ag.htm>

Summary – to add “School – Elementary or Secondary” as a permitted use in an existing building. This would allow Pear Tree Education to share its premises with the Madrona School Society, which would operate a private elementary school for grades 1 through 7. No expansion to the building’s floor area is proposed.

By-law enacted on *July 9, 2013*

PH Date *December 12, 2017* - Item #2 - <https://council.vancouver.ca/20171212/phea20171212ag.htm>

Summary – To add “Cultural and Recreational Uses, limited to Fitness Centre,” as a permitted use. When the latest amendment to the CD-1 By-law was approved on July 9, 2013, this clause was removed, thereby creating an existing, non-conforming use on the site.

By-law enacted on *May 15, 2018*

3. A. 2605-2625 West 10th Avenue
B. 2676-2696 West Broadway and
2699 West 10th Avenue
C. 2635 West 10th Avenue

Council agreed to consider these three separate applications concurrently as the properties are located in the same general area.

The Deputy Mayor acknowledged the following correspondence received for consideration:

Mr. P. L. Reilander, 2716 West 11th Avenue	- Opposed
E. & L. McIsaac, 2726 West 11th Avenue	- Opposed
Mr. James D. Ott, 2770 West 1st Avenue (S. O. K. Holding Ltd.)	- Support

Following consideration of the three applications it was
MOVED by Ald. Brown,

THAT the hearing of applications 3(A) and 3(C) be adjourned.

- LOST

(Aldermen Bellamy, Davies, Eriksen, Kennedy, Yee and the Deputy Mayor opposed.)

For clarity, the three applications are minuted independently as follows:

A. 2605-2625 West 10th Avenue

The Council considered an application by Dr. Ellen Wiebe on behalf of the owners of 2605-2625 West 10th Avenue as follows:

LOCATION: 2605-2625 WEST 10TH AVENUE
(Lots 8-10, Block 127, D.L. 192 and 540, Plan 1003)

Present Zone: RS-1A One-Family Dwelling District

Requested Zone: RT-2A Two-Family Dwelling District

- (i) If the proposed rezoning is approved, a variety of redevelopment alternatives would be provided, subject to conditions, including:
- multiple conversion dwellings and additions to them;
 - dwelling units in basements;
 - infill development (additional building on properties with large yards);
 - increased FSR from 0.60 to 0.75;
 - the potential for small-scale townhouse or apartment developments if meeting site preconditions; and
 - demolition of existing buildings and construction of new two-family dwellings.

- (ii) Any consequential amendments.

Cont'd.....

Clause 3 continued

The Director of Planning recommended approval subject to the following conditions proposed for adoption by resolution of Council:

- (a) That prior to enactment of the amending by-law:
 - the owners of Lots 8-10, Block 127, D.L. 192 and 540, Plan 1003 dedicate the northerly 3.048 m (10.0 ft.) to the City for lane purposes with the plan showing the dedication to be registered in the Land Title Office;
 - a Bulkhead Agreement, satisfactory to the City Engineer and Director of Legal Services is registered against the properties;
- (b) Unless condition (a) is first satisfied this approval in principle will be valid for only one (1) year from the date of the Public Hearing unless extended by Council.

The Departmental position was reviewed by Mr. D. McDonald, Associate Director, Zoning, and Mrs. D. Whiting, Planner, Zoning.

There was one speaker respecting this application, namely, Mr. R. Grady, 2635 West 10th Avenue, who expressed general concern about increased densities and the effect of the new zoning on the existing single family area.

MOVED by Ald. Bellamy,

THAT the application be approved subject to the conditions proposed by the Director of Planning as set out in this Minute of the Public Hearing.

- CARRIED

(Alderman Brown opposed.)

B. 2676-2696 West Broadway and
2699 West 10th Avenue

- . The Council considered an application by Mr. Sid Rasekh, Architect, behalf of the owner as follows:

LOCATION: 2676-2696 WEST BROADWAY AND 2699 WEST 10TH AVENUE
(Lots 1-4, Block 22, D.L. 192, Plan 1003 and Lots 12 and 13, Block 127, D.L. 192 and 540, Plan 1003).

Present Zone: C-2C1 Commercial District and
RS-1A One-Family Dwelling District

Requested Zone: CD-1 Comprehensive Development District

- (i) The Draft CD-1 By-law, if approved, would accommodate use and development of the site, generally as follows:

- NORTHERLY PORTION (those lands north of the lane):
- a mixed-use residential/commercial development;
 - a maximum of 21 apartment units;
 - a maximum FSR of 3.00, comprising a maximum FSR of 1.09 for residential uses and 1.91 for commercial uses, including retail, office, restaurant and storage;
 - a maximum building height of 12.192 m (40.00 ft.); and
 - provisions regarding off-street parking and loading.

Cont'd.....

Clause 3 continued

SOUTHERLY PORTION (those lands south of the lane):

- a maximum of 7 townhouses;
- a maximum FSR of 0.75;
- a maximum building height of 10.668 m (35.00 ft.); and
- parking provisions pertaining to underground parking spaces for uses on both the northerly and southerly portions.

(ii) Amend Sign By-law, No. 4810 to establish sign regulations for the newly created CD-1 District.

(iii) Any consequential amendments.

The Director of Planning recommended approval subject to the following conditions proposed for adoption by resolution of Council:

- (a) That the detailed scheme of development in a development permit application be first approved by the Director of Planning, after receiving advice from the Urban Design Panel, having particular regard to the following:
- the overall design and its relationship to existing development with particular regard to the 10th Avenue and Broadway streetscapes;
 - increasing the amount of daylight penetration to the second, third, and fourth levels (northerly portion);
 - façade treatment of the townhouses on the southerly portion, particularly along the Stephens Street elevation;
 - phasing of the development to ensure development and opening of the underground parking on the southerly portion as early in the construction phase as possible;
 - pedestrian and vehicular circulation within and to/from the site; the accessibility, safety, and security of off-street parking facilities; and separation of the residential and commercial underground parking;
 - the provision and maintenance of landscaping and lighting;
 - the provision, location and screening of garbage facilities; and
 - the submission of an acceptable comprehensive sign plan for the site.
- (b) That the approved form of development be generally as presented in the drawings prepared by Sid Rasekh, Architect, stamped "Received, City Planning Department, March 21, 1983 and June 13, 1983," provided that the Director of Planning may allow minor alterations to this approved form of development when approving the detailed scheme of development as outlined in resolution (a) above.
- (c) That the applicant enter into an agreement with the City to the satisfaction of the City Engineer and Director of Legal Services, regarding the use and maintenance of the lane;

Cont'd.....

Clause 3 continued

- (d) That the applicant enter into an agreement with the City, to the satisfaction of the City Engineer and the Director of Legal Services, to secure interim parking on a leasehold basis for the existing commercial development, preferably within 45.720 m (150.00 ft.) of the subject site to replace the parking lost during initial construction on the southerly portion;
- (e) That this site be brought to the attention of the Planning and Development Committee of Council if the proposed development has not been started within one (1) year from the date of enactment of the proposed by-law.

Mr. D. McDonald, Associate Director, Zoning Division, gave a detailed review of the application, explained the relationship of the site to the surrounding RS-1 area, and answered questions from Council members respecting parking uses for both southerly and northerly portions of the parcels.

Mrs. D. Whiting, Planner, Zoning Division, explained the ramifications of RT-2A and CD-1 zoning.

Following the staff presentation Mr. Rasekh explained details of the development proposed for the West Broadway and West 10th Avenue sites and responded to questions respecting a covenant which would guarantee that parking requirements for the northerly portion of the site (2676-2696 West Broadway) would always be available on the southerly portion (2699 West 10th Avenue). Mr. Rasekh stated it was his understanding a covenant had been registered and one property could not be sold without the other.

The Deputy Mayor called for speakers for or against the application and the following addressed Council:

-Mr. Jim Mouzourakis, representing Kitsilano Citizens Planning Committee, advised the Committee supported the application. It was also felt the view factor would not be influenced.

Mr. N. Cole-Morgan, 3635 West 20th Avenue, urged the maintenance of the single family character of the area and felt any increase in density would make the neighbourhood less attractive to families.

Mr. Brian Crowe, Chairperson, Kitsilano Terrace Housing Block, noted the area was presently deficient in parking, was extremely busy and adjacent to Kitsilano High School. His building was next door to the subject site and had only 21 parking spaces for 27 units.

Mr. R. Grady, 2625 West 10th Avenue, spoke in general terms on the effect of the rezoning.

MOVED by Ald. Bellamy,

THAT the application be approved subject to the conditions proposed by the Director of Planning as set out in this Minute of the Public Hearing.

- CARRIED UNANIMOUSLY

Clause 3 continued

C. 2635 West 10th Avenue

The Council considered an application by the Director of Planning as follows:

LOCATION: 2635 West 10th Avenue
(Lot 11, Block 127, D.L. 192 and 540, Plan 1003)

Present Zone: RS-1A One-Family Dwelling District

Requested Zone: RT-2A Two-Family Dwelling District

(i) If the proposed rezoning is approved, a variety of redevelopment alternatives would be provided, in accordance with those listed under item 3(a) above.

(ii) Any consequential amendments.

Following a staff presentation by Mr. D. McDonald, Associate Director, Zoning Division, and Mrs. D. Whiting, Planner, Zoning Division, Mr. R. Grady, owner of the subject site, advised Council he would withdraw his opposition to this rezoning application if he could be assured his existing non-conforming suites would retain their current licensed status.

Members of Council requested the City Manager clarify the status of these suites in response to Mr. Grady's concerns. The Deputy Mayor so directed.

MOVED by Ald. Bellamy,
THAT the application be approved.

- CARRIED UNANIMOUSLY

4. Portion of 2810 S.W Marine Drive

The Council considered an application by Mrs. Alma J. Dawson, owner, as follows:

LOCATION: A PORTION OF 2810 SOUTHWEST MARINE DRIVE
(Lot 7, Block 1, D.L. 315, Plan 5018)

Present Zone: RA-1 Limited Agricultural District

Requested Zone: RS-1 One-Family Dwelling District

(i) If the proposed rezoning is approved, the applicant proposes to subdivide to create a four-parcel subdivision comprising three parcels within the RS-1 zoning district and one parcel within the RA-1 zoning district.

(ii) Any consequential amendments.

Cont'd.....

Clause 4 continued

The Director of Planning recommended approval subject to the following conditions proposed for adoption by resolution to Council:

- (a) That prior to enactment of the amending by-law, the owner dedicate a 5.181 m (17.00 ft.) strip along the northerly boundary of Lot 7 for road purposes with the plan showing the dedication to be registered in the Land Title Office;
- (b) Unless condition (a) is first satisfied this approval in principle will be valid for only one (1) year from the date of the Public Hearing unless extended by Council.

Mrs. D. Whiting, Planner, Zoning Division, advised the owner of 2810 S. W. Marine Drive was requesting the rezoning of a 0.23 acre portion of the site in order to create a four parcel subdivision with three parcels in the RS-1 district and one parcel within the RA-1 district.

Mr. R. J. Dawson, joint owner, stated the subject site was developed with a garden rockery and a portion of swimming pool. The re-alignment would accommodate these facilities in the centre sub-divided parcel. He submitted the projection into the RS-1 district of the triangular RA-1 portion was an anomaly and rezoning would not create a precedent for future rezoning applications in the Southlands area.

The Deputy Mayor called for speakers for or against the proposal and the following addressed Council:

Mrs. J. McKenzie, Southlands Ratepayers Association, expressed opposition, citing the principal policy of the Association was the preservation of the RA-1 district in Southlands and the continuation of riding and equestrian activities in the area. It was felt any change would be detrimental and create a precedent.

Mr. J. McCrum, Save the Angus Lands, felt Council should defer a decision pending an overall plan for Southlands and the whole of the flat lands.

The Deputy Mayor noted letters from Mr. J. R. Milner, 2890 S. W. Marine Drive opposed to the application and Mr. L. L. G. Bentley Cedarhurst Stables Ltd., 2999 West 53rd Avenue in support.

MOVED by Ald. Bellamy,

THAT the application be approved subject to the conditions proposed by the Director of Planning as set out in this minute of the Public Hearing.

- CARRIED UNANIMOUSLY

5. Text Amendment - First Shaughnessy District (FSD)
Official Development Plan By-law No. 5546

The Council considered an application by the Director of Planning as follows:

TEXT AMENDMENT: FIRST SHAUGHNESSY DISTRICT (FSD) OFFICIAL DEVELOPMENT PLAN,
BY-LAW, NO. 5546

- (i) The proposed amendment to the Official Development Plan, if approved, would amend Sections 2, 4.3.2(c) and 4.4.3(a) to clarify the maximum potential number of conversion units achievable on a given site and delete references to the Land Title Office regarding existing sites.
- (ii) Any consequential amendments.

There were no speakers for or against the application.

MOVED by Ald. Bellamy,
THAT the application be approved.

- CARRIED UNANIMOUSLY

RISE FROM COMMITTEE OF THE WHOLE

MOVED by Ald. Brown,
THAT the Committee of the Whole rise and report.

- CARRIED UNANIMOUSLY

ADOPT REPORT OF COMMITTEE OF THE WHOLE

MOVED by Ald. Bellamy,
SECONDED by Ald. Ford,
THAT the report of the Committee of the Whole be adopted and the Director of Legal Services be instructed to prepare and bring forward the necessary By-law amendments.

BY-LAW NO. 5705

A By-law to amend By-law No. 3575, being
the Zoning and Development By-law

THE COUNCIL OF THE CITY OF VANCOUVER in open meeting
assembled, enacts as follows:

1. The "Zoning District Plan" annexed by By-law No. 3757 as Schedule "D" is hereby amended according to the plan marginally numbered Z-287B and attached to this By-law as Schedule "A", and in accordance with the explanatory legends, notations and references inscribed thereon, so that the boundaries and districts shown on the Zoning District Plan are varied, amended or substituted to the extent shown on Schedule "A" of this By-law, and Schedule "A" of this By-law is hereby incorporated as an integral part of Schedule "D" of By law No. 3575.

2. SITE

For the purpose of this By-law "NORTHERLY PORTION" shall mean those lands comprising the site situated to the north of the lane, and "SOUTHERLY PORTION" shall mean lands comprising the site situated to the south of the lane.

3. USES

3.1 NORTHERLY PORTION

- (a) A maximum of 21 apartment units, with a total gross floor area not in excess of 2 059.345 m² (22,167.33 sq. ft.);
- (b) Commercial uses, including retail, office, restaurant, and storage, with a total gross floor area not in excess of 3 608.577 m² (38,843.67 sq. ft.); and
- (c) Accessory uses customarily ancillary to the above uses including off-street parking and loading.
- (d) Any other use which the Director of Planning considers similar to the foregoing with regard to uses which may be permitted in adjacent commercial areas.

3.2 SOUTHERLY PORTION

- (a) A maximum of 7 townhouses with a total gross floor not in excess of 884.872 m² (9,525.00 sq. ft.); and
- (b) Accessory uses customarily ancillary to the above including off-street parking and off-street parking for the adjacent development on the NORTHERLY PORTION.

4. FLOOR SPACE RATIO

4.1 NORTHERLY PORTION

The floor space ratio shall not exceed 3.0, comprising a maximum floor space ratio of 1.09 for residential uses and a maximum floor space ratio of 1.91 for commercial uses. Floor space ratio for the permitted uses shall be measured in accordance with the C-2C1 District Schedule.

4.2 SOUTHERLY PORTION

The floor space ratio shall not exceed 0.75 measured in accordance with the RT-2A District Schedule,

5. HEIGHT

The maximum height of a building, measured in accordance with the applicable provisions of the Zoning and Development By-law shall be 12.192 m (40.00 ft.) for the NORTHERLY PORTION and 10.668 m (35.00 ft.) for the SOUTHERLY PORTION.

6. OFF-STREET PARKING AND LOADING

A minimum of 112 off-street parking spaces and 2 off-street loading spaces shall be provided, developed, and maintained in accordance with applicable provisions of Section 12 of the Zoning and Development By-law, except as follows:

- (a) A minimum of 5 parking spaces for residential use shall be located on the NORTHERLY PORTION;
- (b) A minimum of 31 parking spaces for residential use, serving both the NORTHERLY and SOUTHERLY PORTION, shall be located on the SOUTHERLY PORTION;
- (c) A minimum of 76 parking spaces or in accordance with Table 12.1, whichever is the greater, for commercial use serving the NORTHERLY PORTION, shall be located on the SOUTHERLY PORTION;
- (d) The minimum of 2 loading bays shall be located on the NORTHERLY PORTION.

7. This By-law comes into force and takes effect on the date of its passing.

DONE AND PASSED in open Council this 20th day
of September, 1983.

CITY OF VANCOUVER

SPECIAL COUNCIL MEETING MINUTES

FEBRUARY 24, 2000

A Special Meeting of the Council of the City of Vancouver was held on Thursday, February 24, 2000, at 7:35 p.m., in Council Chambers, Third Floor, City Hall, for the purpose of holding a Public Hearing to consider proposed amendments to the Zoning and Development By-law and Official Development Plans.

PRESENT:

Mayor Philip Owen
Councillor Fred Bass
Councillor Jennifer Clarke
Councillor Daniel Lee
Councillor Don Lee
Councillor Sandy McCormick
Councillor Sam Sullivan

ABSENT:

Councillor Lynne Kennedy
Councillor Tim Louis
Councillor Gordon Price (Sick Leave)
Councillor George Puil (Civic Business)

**CITY CLERK'S
OFFICE:**

Tarja Tuominen, Meeting Coordinator

COMMITTEE OF THE WHOLE

MOVED by Cllr. Don Lee,
SECONDED by Cllr. Daniel Lee,

THAT this Council resolve itself into Committee of the Whole, Mayor Owen in the Chair, to consider proposed amendments to the Zoning and Development By-law and Official Development Plans.

- CARRIED UNANIMOUSLY

1. Text Amendments: District Schedules, Official Development Plans and

CD-1 By-laws - Floor Space Exclusions

[Barrett Commission]

An application by the Director of Current Planning was considered as follows:

Summary: The proposed text amendments would provide floor space exclusions to provide construction incentives to control building envelope leaks.

The Director of Current Planning recommended approval.

Staff Comments

Jacqui Forbes-Roberts, General Manager of Community Services, provided a brief introduction to the report, noting the proposed text amendments would affect new construction and repairs and restoration of existing buildings. Ms. Forbes-Roberts also requested an amendment to the proposed draft by-law to amend By-law 3575 to add RS1 to Section 4.7.3, (d).

Doug Watts, Building Envelope Specialist, with the aid of a slide presentation, described the specifics of the technical and different design issues of the proposed amendments, and explained what steps other municipalities have taken to address the recommendations arising from the Barrett Commission.

Summary of Correspondence

Council was advised the following correspondence was received since the date the application was referred to Public Hearing:

one letter in support of 'Option A'.

Speakers

Mayor Owen called for speakers for and against the application.

The following spoke in support of 'Option A':

John Fowler, Canadian Precast/Prestressed Concrete Institute
Bill McEwen, Masonry Institute of British Columbia (brief filed)
Peter Reese

The foregoing speakers supported 'Option A' based on one or more of the following points:

application of the current FSR calculations has prevented a wide-spread use of precast concrete exterior walls; there have been very few problems with the use of pre-cast concrete, which has proven to be a versatile and durable material;

thicker exterior walls are better walls, because they can include an airspace cavity behind the cladding which provides a "rainscreen" system, more efficient insulation, thicker, more durable cladding materials; current FSR calculations discourage the foregoing;

the proposed changes in FSR definitions will immediately encourage better wall design;

brick and stone-faced walls should be encouraged.

The following generally supported 'Option A' but felt the proposed text amendments should be referred back to staff for further study and discussion with the industry:

John O'Donnell, AIBC
Stuart Howard, Vancouver Planning Coalition

The following is a summary of the foregoing speakers' comments:

Option 'A' is supported in principle; however the text amendments also should address overhangs, balconies, elevated walkways, yard setbacks, and site coverage; staff should accept the electronic calculation of areas and the calculations of the Architect, given under seal; letters of assurance from a building envelope specialist are redundant at an early stage; the proposed text amendments should cover everything instead of the City issuing administrative bulletins to address further changes.

Staff Closing Comments

Ralph Segal, Planner; Eric Fiss, Planner; and Doug Watts responded to the issues raised by the speakers: the proposed text amendments are the result of a fair bit of consultation with the industry; a building envelope specialist is required to be involved in the process earlier as technical details are to be submitted at the development permit stage; staff are taking a further look at other issues, such as recesses, balconies and walkways.

Ms. Forbes-Roberts advised Council may proceed with the proposed amendments to the floor space exclusions and request staff to come back with additional amendments. Staff and the industry would prefer the FSR exclusions not be delayed.

MOVED by Cllr. Don Lee,

A. THAT the application by the Director of Current Planning to amend various District Schedules, Official Development Plans and CD-1 By-laws to provide floor space exclusions to provide construction incentives to control building envelope leaks be approved.

FURTHER THAT the draft By-law 3575, section 4.7.3, be amended as follows:

(d) as clause (h) in the following district schedules:

RS-1 and RS-1S RT-4, etc.

(Italics denote amendment)

B. THAT staff report back on other aspects affecting leakage of buildings, such as overhangs, protection of upper balconies, recesses, etc.

- CARRIED UNANIMOUSLY

RISE FROM COMMITTEE OF THE WHOLE

MOVED by Cllr. Don Lee,

being By-laws which amended the
Zoning and Development By-law
by rezoning areas to CD-1

THE COUNCIL OF THE CITY OF VANCOUVER, in open meeting
assembled, enacts as follows:

1. By-law No. 3907 is amended in Section 2 by deleting the period from the end
of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been
recommended by a Building Envelope Professional as defined in the Building
By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion
of 152 mm thickness, except that this clause shall not apply to walls in
existence prior to March 14, 2000."

2. By-law No. 4412 is amended in Section 2 by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

3. By-law No. 5376 is amended in Section 2 by deleting the period from the end of subclause (iii) and substituting it with a semi-colon and by adding the following subclause:

"(iv) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this subclause shall not apply to walls in existence prior to March 14, 2000."

4. By-laws No. 4825 and 6325 are each amended in Section 3 by deleting the period from the end of subclause (ii) and substituting it with a semi-colon and by adding the following subclause:

"(iii) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this subclause shall not apply to walls in existence prior to March 14, 2000."

5. By-law No. 5343 is amended in Section 3 by deleting the period from the end of clause (iii) and substituting it with a semi-colon and by adding the following clause:

"(iv) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000"

6. By-laws No. 4775, 4829, 5222, 5224, 5773 and 6039 are each amended in Section 3 by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the

Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

7. By-laws No. 4085, 5411, and 5416 are each amended in Section 3 by deleting the period from the end of clause (c) and substituting it with a semi-colon and by adding the following clause:

"(d) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

8. By-law No. 5407 is amended in Section 3 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

"(e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

9. The By-laws listed below are each amended in Section 3 by adding the following section:

"3.1 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."
