CD-1 (306)

2034 West 11th Avenue

By-law No. 7175

(Being a By-law to Amend By-law 3575, being the Zoning and Development By-law)

Effective September 14, 1993

(Amended up to and including By-law No. 8760, dated December 9, 2003)

1 [Section 1 is not reprinted here. It contains a standard clause amending Schedule D (Zoning District Plan) to reflect this rezoning to CD-1.]

2 Uses

2.1 The area shown included within the heavy black outline on Schedule “A” is rezoned to CD-1, which area shall be more particularly described as CD-1(306), and the only uses permitted within the said area, subject to such conditions as Council may by resolution prescribe, and the only uses for which development permits will be issued are:

- (a) Multiple Dwelling;
- (b) Dwelling Units in conjunction with other listed uses;
- (c) Residential Unit associated with and forming an integral part of an artist studio, subject to the provisions of section 11.19 of the Zoning and Development By-law;
- (d) General Office, subject to section 2.2;
- (e) Services Uses, subject to section 2.2 and limited to Auction Hall, Barber Shop or Beauty Salon, Catering Establishment, Photofinishing or Photography Laboratory, Photofinishing or Photography Studio, Production Studio, School-Arts or Selfimprovement, School-Business, School-Vocational or Trade, and Sign Painting Shop;
- (f) Cultural and Recreational Uses, -subject to section 2.2 a limited to Artist Studio, community Centre or Neighbourhood House, Fitness Centre, or Hall;
- (g) Institutional Uses, subject to section 2.2 and limited to Child Day Care Facility;
- (h) Other Uses not included in clauses (a) through (g) and of an interim nature provided that:
 - (i) the Director of Planning considers that the use will be compatible with and not adversely affect adjacent development that exists or is permitted by the Zoning and Development By-law;
 - (ii) the Director of Planning is satisfied that the use can be easily removed, is of low intensity or low in capital investment, meets parking and loading requirements and fire separation standards, and will be replaced with development in accordance with the By-law;
 - (iii) any development permit issued shall be limited to 3 years in time.

2.2 All uses listed in clause(c) through (g) of section 2.1 shall be limited in location to Area B on Diagram 1 below and to the ground floor of developments.

Diagram 1

Note: Information included in square brackets [] identifies the by-law numbers and dates for the amendments to By-law No. 7175 or provides an explanatory note.

3 Floor Space Ratio

3.1 The floor space ratio shall not exceed:

- (a) 2.4 for that portion of the site in Area A in Diagram 1; and
- (b) 2.2 for that portion of the site in Area B in Diagram 1.

3.2 The following shall be included in the computation of floor space ratio for the multiple dwelling:

- (a) all floors having a minimum ceiling height of 1.2 m, including earthen floor, both above and below ground level, to be measured to the extreme outer limits of the building; and
- (b) stairways, fire escapes, elevator shafts and other features which the Director of Planning considers similar, to be measured by their gross cross-sectional areas and included in the measurements for each floor at which they are located.

3.3 The following shall be excluded in the computation of floor space ratio:

- (a) open residential balconies or sundecks, and any other appurtenances which, in the opinion of the Director of Planning, are similar to the foregoing;
- (b) patios and roof gardens, provided that the Director of Planning first approves the design of sunroofs and walls;
- (c) where floors are used for off-street parking and loading, bicycle storage, heating and mechanical equipment, or uses which in the opinion of the Director of Planning are similar to the foregoing, those floors or portions thereof so used, which:
 - (i) are at or below the base surface, provided that the maximum exclusion for a parking space shall not exceed 7.3 m in length; or
 - (ii) are above the base surface and where developed as offstreet parking are located in an accessory building situated in the rear yard, provided that the maximum exclusion for a parking space shall not exceed 7.3 m in length;
- (d) amenity areas, including day care facilities, recreation facilities and meeting rooms, to a maximum total of 10 percent of the total building floor area;
- (e) areas of undeveloped floors located above the highest storey or half-storey, or adjacent to a half-storey with a ceiling height of less than 1.2 m, and to which there is no permanent means of access other than a hatch; and
- (f) all residential storage space above or below base surface, except that if the residential storage space above base surface exceeds 3.7 m² per dwelling unit, there will be no exclusion for any of the residential storage space above base surface for that unit; [8760; 03 12 09]
- (g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000. [8169; 00 03 14]

4 Height

The maximum building height measured above the base surface shall be 18.3 m and the building shall not extend beyond 5 storeys.

5 Setbacks

The minimum setback of a building from the northern property boundary shall be 1.5 m.

6 Acoustics

All development permit applications shall require evidence in the form of a report and recommendations prepared by a person trained in acoustics and current techniques of noise measurement demonstrating that the noise levels in those portions of the dwelling units listed below shall not exceed the noise level set opposite such portions. For the purposes of this section the noise level is the A-weighted 24-hour equivalent (Leq) sound level and will be defined simply as noise level in decibels.

Portions of Dwelling Units	Noise Level (Decibels)
bedrooms	35
living, dining, recreation rooms	40
kitchen, bathrooms, hallways [7515; 96 01 11]	45

- 7** *[Section 7 is not reprinted here. It contains a standard clause including the Mayor and City Clerk's signatures to pass the by-law and to certify the by-law number and date of enactment.]*

2034 West 11th Avenue

BY-LAW NO. 7175

A By-law to amend
By-law No. 3575, being the
Zoning and Development By-law

THE COUNCIL OF THE CITY OF VANCOUVER, in open meeting assembled, enacts as follows:

1. The "Zoning District Plan" annexed to By-law No. 3575 as Schedule "D" is hereby amended according to the plan marginally numbered Z-393(b) and attached to this By-law as Schedule "A", and in accordance with the explanatory legends, notations and references inscribed thereon, so that the boundaries and districts shown on the Zoning District Plan are varied, amended or substituted to the extent shown on Schedule "A" of this By-law, and Schedule "A" of this By-law is hereby incorporated as an integral part of Schedule "D" of By-law No. 3575.

2. Uses

2.1 The area shown included within the heavy black outline on Schedule "A" is rezoned to CD-1, which area shall be more particularly described as CD-1(306), and the only uses permitted within the said area, subject to such conditions as Council may by resolution prescribe, and the only uses for which development permits will be issued are:

- (a) Multiple Dwelling;
- (b) Dwelling Units in conjunction with other listed uses;
- (c) Residential Unit associated with and forming an integral part of an artist studio, subject to the provisions of section 11.19 of the Zoning and Development By-law;
- (d) General Office, subject to section 2.2;
- (e) Services Uses, subject to section 2.2 and limited to Auction Hall, Barber Shop or Beauty Salon, Catering Establishment, Photofinishing or Photography Laboratory, Photofinishing or Photography Studio, Production Studio, School-Arts or Self-Improvement, School-Business, School-Vocational or Trade, and Sign Painting Shop;

- (f) Cultural and Recreational Uses, subject to section 2.2 and limited to Artist Studio, Community Centre or Neighbourhood House, Fitness Centre, or Hall;
- (g) Institutional Uses, subject to section 2.2 and limited to Child Day Care Facility;
- (h) Other Uses not included in clauses (a) through (g) and of an interim nature provided that:
 - (i) the Director of Planning considers that the use will be compatible with and not adversely affect adjacent development that exists or is permitted by the Zoning and Development By-law;
 - (ii) the Director of Planning is satisfied that the use can be easily removed, is of low intensity or low in capital investment, meets parking and loading requirements and fire separation standards, and will be replaced with development in accordance with the By-law;
 - (iii) any development permit issued shall be limited to 3 years in time.

2.2 All uses listed in clause (c) through (g) of section 2.1 shall be limited in location to Area B on Diagram 1 below and to the ground floor of developments.

Diagram 1

3. Floor Space Ratio

3.1 The floor space ratio shall not exceed:

- (a) 2.4 for that portion of the site in Area A in Diagram 1; and
- (b) 2.2 for that portion of the site in Area B in Diagram 1.

3.2 The following shall be included in the computation of floor space ratio for the multiple dwelling:

- (a) all floors having a minimum ceiling height of 1.2 m, including earthen floor, both above and below ground level, to be measured to the extreme outer limits of the building; and
- (b) stairways, fire escapes, elevator shafts and other features which the Director of Planning considers similar, to be measured by their gross cross-sectional areas and included in the measurements for each floor at which they are located.

3.3 The following shall be excluded in the computation of floor space ratio:

- (a) open residential balconies or sundecks, and any other appurtenances which, in the opinion of the Director of Planning, are similar to the foregoing;
- (b) patios and roof gardens, provided that the Director of Planning first approves the design of sunroofs and walls;
- (c) where floors are used for off-street parking and loading, bicycle storage, heating and mechanical equipment, or uses which in the opinion of the Director of Planning are similar to the foregoing, those floors or portions thereof so used, which:
 - (i) are at or below the base surface, provided that the maximum exclusion for a parking space shall not exceed 7.3 m in length; or
 - (ii) are above the base surface and where developed as off-street parking are located in an accessory building situated in the rear yard, provided that the maximum exclusion for a parking space shall not exceed 7.3 m in length;
- (d) amenity areas, including day care facilities, recreation facilities and meeting rooms, to a maximum total of 10 percent of the total building floor area;

- (e) areas of undeveloped floors located above the highest storey or half-storey, or adjacent to a half-storey with a ceiling height of less than 1.2 m, and to which there is no permanent means of access other than a hatch; and
- (f) residential storage space provided that where the space is provided at or above base surface, the maximum exclusion shall be 3.7 m² per dwelling unit.

4. Height

The maximum building height measured above the base surface shall be 18.3 m and the building shall not extend beyond 5 storeys.

5. Setbacks

The minimum setback of a building from the northern property boundary shall be 1.5 m.

6. Acoustics

All development permit applications shall require evidence in the form of a report and recommendations prepared by a person trained in acoustics and current techniques of noise measurement demonstrating that the noise levels in those portions of the dwelling units listed below shall not exceed the noise level set opposite such portions. For the purposes of this section the noise level is the A-weighted 24-hour equivalent (Leq) sound level and will be defined simply as noise level in decibels.

<u>PORTIONS OF DWELLING UNITS</u>	<u>NOISE LEVELS (DECIBELS)</u>
bedrooms	35
living, dining, recreation rooms	40
kitchen, bathrooms, hallways	45
terraces, patios, balconies	60

7. This By-law comes into force and takes effect on the date of its passing.

DONE AND PASSED in open Council this 14th day of September, 1993.

Subject: Rezoning of 2034 West 11th Avenue (Jones Tent and Awning)

I wish to advise you of the following extract from the Minutes of the Vancouver City Council meeting of January 12, 1993, dealing with an Administrative Report dated December 2, 1992, regarding the above matter:

The Director of Planning in an Administrative Report dated December 2, 1992, provided Council with a summary of the rezoning application for 2034 West 11th Avenue. It was noted the Public Hearing on the rezoning application concluded on August 15, 1991, and at that time. Council deferred the decision on the application pending a decision on the Arbutus Industrial Lands. The Arbutus Neighbourhood Policy Plan, which provides for converting the Arbutus industrial area to residential use, was adopted by Council on November 19, 1992.

Therefore, the City Manager and Director of Planning submitted for Council's consideration the approval of the rezoning application for 2034 West 11th Avenue.

MOVED by Cllr. Puil,

THAT the application to rezone 2034 West 11th Avenue be approved, subject to the conditions proposed by the Director of Planning set out in the Public Hearing minutes, August 15, 1991, which are attached as Appendix A to the Administrative Report dated December 2, 1992.

- CARRIED

(Councillors Davies, Eriksen, and Wilson opposed)
(Councillors Kennedy and Rankin were excused from voting on this matter)

Extract from the Minutes of the
Special Council (Public Hearing), August 15, 1991 10

4. Rezoning: 2034 West 11th Avenue
(Jones Tent and Awning)

An application by Hancock Nicolson Tamaki Architects was considered as follows:

REZONING: 2034 WEST 11TH AVENUE (Lot 1, Block 385, D.L. 526, Plan 9573 and Lot A, except part in Plan 9573 and part in Reference Plan 5176, Block 385, D.L. 526, Plan 1949)

Present Zoning: M-1 Industrial District
Proposed Zoning: CD-1 Comprehensive Development District

Cont'd

Special Council (Public Hearing), August 15, 1991 11

Clause No. 4 cont'd

- (i) If approved, the CD-1 by-law would permit the use and development of the site generally as follows:
- multiple dwelling;
 - dwelling units;
 - artist studio;
 - general office;
 - service uses*;
 - cultural and recreational uses*;
 - institutional uses*;
 - interim uses;
 - maximum floor space ratio set out on a sub-area basis ranging from 2.20 to 2.40;
 - maximum height of 18.30 m; and
 - acoustical provisions.
- * The particular uses permitted are listed in the draft by-law.
- (ii) Any consequential amendments, including amendments to Sign By-law, No. 6510.

The Director of Planning recommended approval, subject to the following conditions proposed for adoption by resolution of Council:

- (a) That the proposed form of development be approved by Council in principle, generally as prepared by Hancock Nicolson Tamaki Architects Inc. and stamped "Received City Planning Department February 12, 1990" and revised October 24, 1990, provided that the Director of Planning may allow minor alterations to this form of development when approving a development application as outlined in resolutions (b) and (c) below:
- (b) That, prior to approval by Council of the form of development for Phase 1 (sub-area A in draft by-law), the applicant shall obtain approval of a development application from the Director of Planning, who shall have particular regard to the following:
- (i) further design development to address the problems of livability of interior courtyard units;

Cont'd

Clause No. 4 cont'd

- (ii) further design development to address issue of privacy and overlook between units, balconies and corridors; and
 - (iii) further design development to improve the relation of the parking access ramp to the courtyard regarding the commercial lane and the B.C. Telephone service yard, and sun access and shadow impacts.
- (c) That, prior to approval by Council of the form of development for Phase 2 (sub-area B in draft by-law), the applicant shall obtain approval of a development application from the Director of Planning, who shall have particular regard to the following:
- (i) further design development of any changes to the existing Jones Tent and Awning building of an architectural character which does not detract from the integrity of the heritage character of the building;
 - (ii) further design development of the residential structure with attention to livability of the residential units and on-site open space; and
 - (iii) further design development of the appropriate architectural character of the 11th Avenue facade in the event that the 1927 addition is demolished.
- (d) That, prior to approval by Council of the form of development for Phase I (sub-area A in draft by-law), the registered owner shall, at no cost to the City:
- (i) make suitable arrangements, to the satisfaction of the City Engineer, for undergrounding of all electrical and telephone services within and adjacent to the site from the closest existing suitable service point;
 - (ii) make suitable arrangements, to the satisfaction of the City Engineer, for the provision of recycling storage facilities; and
 - (iii) register the subdivision.

Cont'd

Clause No. 4 cont'd

- (e) That, prior to enactment of the CD-1 by-law, the registered owner shall, at no cost to the City:
- (i) obtain designation of the 1919 portion of the 11th Avenue facade under Schedule B of the City's Heritage By-law; and
 - (ii) execute a Section 215 Covenant with the City in registrable form, providing that occupancy or possession of any dwelling unit shall not be denied to families with children, to be held by the Director of Legal Services pending further Council direction regarding such covenants.

SUMMARY OF PROPOSED CHANGES

	CURRENT STATUS	PROPOSED REZONING (IF APPROVED)
ZONE	M-1	CD-1
USES	• industrial uses	• multiple dwelling; • dwelling units; • artist studio; • general office; • service uses; • cultural and recreational uses; • institutional uses; & • interim uses.
FSR (MAX.)	5.00	2.20 to 2.40
HEIGHT (MAX.)	30.48 m (100 ft.)	18.30 m (60 ft.)

Cont'd

Special Council (Public Hearing), August 15, 1991 14

Clause No. 4 cont'd

Mr. J. Coates, Senior Planner, reviewed the application, which would permit construction of a 37-unit residential development varying from three to five storeys in height with underground parking for 59 cars at an FSR of 2.4. It would also designate and restore the original facade of the 'B' Class heritage building in exchange for this density. The rest of the building would be replaced, possibly in five years time, with an infill structure containing residential on the upper three floors, and ground floor commercial use at a density of 2.2 FSR. There is presently an area planning process underway for the Arbutus Industrial Area; however, staff have continued processing the rezoning application, as directed by Council, because it predated the area planning process for the Arbutus Industrial Area.

The proposal would initiate a residential future for this difficult area, although its uses may become non-conforming in the long term. It has urban design merit and achieves City heritage objectives. Staff want to ensure residential compatibility, timely upgrading, and seismic stability of the building. The heritage density bonus referenced is supported, but staff do not support extending industrial uses beyond those set out in the by-law. In some respects the proposal before Council is a compromise. The applicant would prefer higher density and broader uses. The community may prefer lower density and wish the application deferred pending completion of the area study. However, this is a worthwhile opportunity which should be proceeded with at this time. Mr. Coates also noted a change to condition (a), noting the proposed form of development was revised June 12, 1991.

Mr. Jim Hancock and Mr. Hugh Tangye spoke on behalf of the applicant. The application has attempted to be sympathetic both to the neighbourhood and to the Jones Tent and Awning heritage building. Eleventh Avenue is potentially a unique urban heritage environment, and there has been notable support from reviewing agencies. The representatives explained the rationale for preserving only the facade, rather than the entire building. Since there are only two such heritage buildings in the neighbourhood, the increased density should not create a precedent. The development will also provide housing without displacing any existing residences or businesses. The applicant differs from the Planning Department with respect to the question of use, and wishes to see a broader range of uses such as auction halls, some commercial rental, etc. It is a large building, which could accommodate a range of tenants, providing better interim economics.

Cont'd

Special Council (Public Hearing), August 15, 1991 15

Clause No. 4 cont'd

Responding to queries, Mr. Coates clarified current uses of the building do meet Building By-law requirements, but a wider range of industrial uses would require building upgrading. Queried with respect to mixed industrial/residential use, Mr. Coates explained Council can zone a building for such mixed use, but it would have to be in the form of a CD-1 rezoning and the Director of Planning would not recommend it. There would be many difficulties with the Building By-law.

Following the presentation by staff and the applicant's representatives, the Mayor called for speakers. Three speakers addressed the Public Hearing in support of the application, and 16 speakers did not support the application.

The following spoke in support:

Mr. Paul Spitzer, 3200 Block West 2nd Avenue
Ms. Nancy Ward, 3200 Block West 2nd Avenue
Mr. Craig Vance, Gibsons, B.C.

The foregoing speakers supported the application on one or more of the following grounds:

- the proposed development would provide badly needed alternative housing in the area without displacing existing housing, and relieve development pressure on the neighbourhood. The proposed density is not inappropriate if properly planned and managed.
- this proposal would make good use of industrial lands for housing purposes.
- the building is architecturally compatible with the neighbourhood.
- the proposal encourages heritage preservation.

Cont'd

Clause No. 4 cont'd

The following speakers did not support the application:

Mr. Blake Terriff, 1900 Block West 11th Avenue
Mr. Scot Hein, 1900 Block West 11th Avenue
Mr. David Beattie, 2500 Block West 8th Avenue
Mr. Tohmm Cobban, 2600 Block West 11th Avenue
Ms. Dorothy Wenzel, 2200 Block West 1st Avenue
Mr. Tony Monaghan, 2900 Block Yew Street
Mr. Ian Kennedy, 2100 Block West 13th Avenue
Ms. Gayle Stephenson, 1800 Block West 11th Avenue
Ms. Shirley Nicholls, 1500 Block West 14th Avenue
Ms. Bernie Monaghan, 2900 Block Yew Street
Ms. Melanie Conn, 2200 Block West 13th Avenue.

The foregoing speakers did not support the application on one or more of the following grounds:

- the timing for bringing this application to Public Hearing is wrong, since it should not be considered prior to completion of the area planning process. It was noted recommendations for area zoning are only a few months away, and Council was urged to defer a decision pending completion of the area plan.
- the density is far too high for the neighbourhood. Concerns were raised respecting potential impact on neighbourhood livability and character, increased parking and traffic problems and consequent danger to children, and the effect on the already over-utilized school, day care, and other community facilities.
- the heritage density bonus is too high, especially since only the facade will be preserved. Although a few speakers considered the building unattractive, the majority agreed with heritage designation, but felt the Jones Tent and Awning building is important to the community and should be preserved in its entirety. The density trade-off is too high if only the facade is saved.
- the interior of the building is extremely attractive, with overhead beams, columns, and excellent natural lighting. Several speakers felt it would make an ideal location for artists' studios.

Cont'd

Special Council (Public Hearing), August 15, 1991 17

Clause No. 4 cont'd

- the integrity of the area planning process must be respected, and the public should be provided with further opportunity to review this proposal. Information meetings in the community are a requirement.

- in order to encourage the town centre concept, Council should retain existing density or even downsize residential neighbourhoods, rather than increase density. The long range view should be taken in the interest of achieving a better balanced region.

The Mayor advised there is expected to be a September workshop on the Arbutus Industrial area, followed by a report to Council in October. It was noted a number of delegations had requested a deferral, and in order to afford Council an opportunity to review policy issues, it was suggested a decision on this Public Hearing be deferred.

MOVED by Ald. Bellamy,

THAT the hearing of the public having concluded, the application be considered on Tuesday, November 5, 1991, at 7:30 p.m., in the Council Chamber.

ADMINISTRATIVE REPORT

Date: August 13, 1993
Dept. File No. MD

TO: Vancouver City Council
FROM: Director of Planning
SUBJECT: Heritage Designation of 2034 West 11th Avenue

RECOMMENDATION

THAT Council enact an amendment to schedule B of the Heritage By-law No. 4837 to designate the westerly 46.5 metres (153 feet) of the facade at 2034 West 11th Avenue (former Jones Tent and Awning building) as a municipal heritage site.

CITY MANAGER'S COMMENTS

The City Manager RECOMMENDS approval of the foregoing.

COUNCIL POLICY

Council policy is that legal designation will be a prerequisite to accepting certain bonuses and incentives for heritage buildings.

PURPOSE

This report recommends that Council enact an amendment to the Heritage By-law, under schedule B, to designate a portion of the facade (westerly 46.5 metres) of 2034 West 11th Avenue as a municipal heritage site.

BACKGROUND

On January 12, 1993, an application to rezone 2034 West 11th Avenue from M-1 to CD-1 to permit a 37 unit, 2.4 FSR multiple dwelling on the easterly portion of this site was approved by Council. One of the conditions of enactment of the CD-1 By-law is heritage designation of the original facade of the former Jones Tent and Awning Building which occupies the adjacent western site.

DISCUSSION

The original portion of the Jones Tent and Awning building at 2034 West 11th Avenue was built in 1919 with a subsequent addition in 1927. The building is a good example of an industrial style building in the Arbutus industrial area. Some of the more notable features of the building include a facade that is delineated into bays by brick pilasters; a stepped brick pattern at the cornice line; intact original windows; and an arched entry. In 1927, an extension to the original building, with similar detailing, was constructed.

The application proposed rezoning of this site to CD-1 to allow for the construction of a multiple dwelling at 2.4 FSR on the vacant easterly portion of the site. The application also proposed the designation of the original 1919 portion of the facade. Renovation or reconstruction of the building behind the facade would occur to accommodate commercial uses on the ground floor and residential use on the upper three floors.

The rezoning application was approved by Council, subject to conditions, including heritage designation of the 1919 portion of the facade (westerly 46.5 metres or 153 feet), on January 12, 1993.

Waivers for future compensation demands for 2034 West 11th Avenue have been secured. The Director of Legal Services has prepared the necessary Heritage By-law amendments and requirements for notification as required by the Heritage Conservation Act have been met.

CONCLUSION

Council policy requires the designation of buildings that receive bonuses or relaxations for heritage preservation. The designation of 2034 West 11th Avenue is a condition of approval for the rezoning of the site.

Therefore, it is recommended that Schedule B of the Heritage By-law be amended to designate the original portion of the facade of 2034 West 11th Avenue as a municipal heritage site.

Acoustic Requirements

BY-LAW NO. 7515

A By-law to amend

By-law Nos. 3712, 4037, 4049, 4397, 4677, 5381, 5836, 5852, 6272, 6310, 6312, 6313, 6314, 6315, 6316, 6317, 6318, 6319, 6320, 6321, 6322, 6323, 6325, 6361, 6362, 6363, 6421, 6425, 6429, 6475, 6489, 6528, 6533, 6564, 6582, 6597, 6663, 6688, 6710, 6713, 6714, 6715, 6730, 6731, 6738, 6739, 6740, 6744, 6747, 6757, 6768, 6779, 6787, 6817, 6827, 6965, 7006, 7087, 7092, 7101, 7114, 7135, 7155, 7156, 7157, 7158, 7163, 7166, 7173, 7174, ~~7180~~, 7180, 7189, 7193, 7198, 7200, 7204, 7209, 7223, 7224, 7230, 7232, 7246, 7248, 7317, 7337, 7340, 7381, 7425, 7431, 7434 and 7461, being by-laws which amended the Zoning and Development By-law by rezoning areas to CD-1

THE COUNCIL OF THE CITY OF VANCOUVER, in open meeting assembled, enacts as follows:

1. By-law Nos. 6429, 6597, 7092, 7101, 7224 and 7340 are each amended in section 5 by deleting the words "terraces, patios, balconies" from the left column and the corresponding number "60" from the right column.

2. The following By-laws are each amended in section 6 by deleting the words "terraces, patios, balconies" from the left column and the corresponding number "60" from the right column:

4037	6688	7087	7180
4397	6710	7155	7189
4677	6713	7157	7209
5852	6731	7163	7246
6272	6738	7166	7381
6363	6768	7173	7425
6421	6787	7174	7431
6582	6827	7175	7434
6663			

3. By-law No. 6730 is amended in section 6.1 by deleting the words "Terraces, patios, balconies" from the left column and the corresponding number "60" from the right column.

4. The following By-laws are each amended in section 7 by deleting the words "terraces, patios, balconies" from the left column and the corresponding number "60" from the right column.

5836	6321	6564	7114
6310	6322	6739	7135
6312	6323	6740	7158
6315	6325	6817	7223
6319	6528	6965	7230
6320			

5. By-law Nos. 6313, 6314, 6316, 6317, 6318 and 6361 are each amended in section 7.1 by deleting the words "terraces, patios, balconies" from the left column and the corresponding number "60" from the right column.
6. By-law Nos. 3712, 4049, 6362, 6425, 6489, 6714, 6715, 7193 and 7337 are each amended in section 8 by deleting the words "terraces, patios, balconies" from the left column and the corresponding number "60" from the right column.
7. By-law No. 6779 is amended in section 9 by deleting the words "terraces, patios, balconies" from the left column and the corresponding number "60" from the right column.
8. By-law No. 7198 is amended in section 10 by deleting the words "terraces, patios, balconies" from the left column and the corresponding number "60" from the right column.
9. By-law Nos. 7156, 7200, 7232 and 7248 are each amended in section 11 by deleting the words "terraces, patios, balconies" from the left column and the corresponding number "60" from the right column.
10. By-law No. 6744 is amended in section 12 by deleting the words "terraces, patios, balconies" from the left column and the corresponding number "60" from the right column.
11. By-law Nos. 6747 and 6757 are both amended in section 13 by deleting the words "terraces, patios, balconies" from the left column and the corresponding number "60" from the right column.
12. By-law No. 5381 is amended in section 4.8.1 by
 - (a) deleting clause (d), and
 - (b) relettering clauses (e) and (f) as (d) and (e), respectively.
13. By-law No. 6533 is amended in section 5.6.1 by deleting clause (d).
14. By-law No. 6475 is amended in section 5.8.1 by deleting clause (d).
15. By-law No. 7006 is amended in section 7 by deleting the words "common-use roof decks and patios" from the left column and the corresponding number "55" from the right column.

16. By-law No. 7317 is amended in section 9 by deleting the words "common-use roof decks and patios" from the left column and the corresponding number "55" from the right column.

17. By-law No. 7461 is amended in section 9 of Schedule "B" by deleting the words "common-use roof decks and patios" from the left column and the corresponding number "55" from the right column.

18. By-law No. 7204 is amended in section 12 of Schedule "B" by deleting the words "common-use roof decks and patios" from the left column and the corresponding number "55" from the right column.

19. This By-law comes into force and takes effect on the date of its passing.

DONE AND PASSED in open Council this 11th day of
January , 1996.

"(signed) Jennifer Clarke"
Deputy Mayor

"(signed) Maria C. Kinsella"
City Clerk

"I hereby certify that the foregoing is a correct copy of a By-law passed by the Council of the City of Vancouver on the 11th day of January 1996, and numbered 7515.

CITY CLERK"

Clause 1(a) and (b) (cont'd)

This development is also in keeping with Council's strategy of reducing traffic congestion by encouraging residential development in this area and reducing commuters. The application also provides for a substantial amount of bicycle parking within the new residential complex.

Staff Closing Comments

Staff offered no additional comments.

Council Decision

Prior to making a decision, several members of Council expressed the view that staff need to reconsider their approach when notifying residents about rezoning applications, as well as other City-related issues. Members of Council also referred to a previously requested report on waterfront tower height and Council expressed a desire to see this report as soon as possible.

MOVED by Cllr. Bellamy,

THAT this application be approved, subject to the conditions as set out in this minute of the Public Hearing.

- CARRIED UNANIMOUSLY

MOVED by Cllr. Price,

THAT the City Manager ensure that when the anticipated report from the Housing Centre on housing affordability comes back, it deals with the issues related to Triangle West and new neighbourhoods.

- CARRIED UNANIMOUSLY

2. Balcony Enclosures and Acoustic Requirements

An application by the Director of Land Use and Development was considered as follows:

The proposed amendments to various zoning District Schedules, Official Development Plans and CD-1 Comprehensive Development District By-laws, would either:

- not allow any of the permitted residential floor area to be excluded from Floor Space Ratio (FSR) for enclosed balconies except in buildings existing prior to April 23, 1985 in which case the present regulations would apply; or

cont'd....

Clause No. 2 (cont'd)

- continue to permit a maximum of 8 percent of permitted residential floor area to be excluded form Floor Space Ratio (FSR) for balconies BUT to permit no more than half of excluded floor area to be enclosed; or
- permit no more than 8 percent of permitted residential floor area to be excluded from Floor Space Ratio (FSR) for enclosed balconies.

The proposed acoustic amendments would delete the acoustic requirement for balconies, terraces, patios, etc.

Amended Balcony Enclosure Guidelines and Policies are also proposed.

The Director of Land Use and Development recommended approval of this application.

Staff Opening Comments

Mr. Ralph Segal, Planner, provided background on this issue and introduced the options before Council this evening.

In 1964, in order to improve livability in higher density multiple dwelling developments, open balconies were excluded from FSR to a maximum of eight percent of residential floor area. In the early 1980s, the City received numerous requests from owners of units in existing buildings to enclose their balconies for reasons of poor insulation and acoustics, air drafts and other interior problems. In response, Council in 1985 adopted balcony enclosure guidelines by which enclosed balconies would continue to be excluded from FSR.

Subsequently, in response to the development industry's request for equity, Council permitted this exclusion to apply to new construction, subject to adherence to the guidelines. Since then, new buildings have, to an increasing degree, incorporated enclosed balconies as additional interior space displacing the private open space, the open balconies, for which the FSR exclusion had been originally provided.

Since enclosed balcony space has been successfully marketed at the full per square foot price of the rest of the dwelling unit, many developers have been more and more aggressive in seeking the full eight percent exclusion for enclosed balconies. This differs from a mix of open and enclosed balconies that were anticipated when the exclusion was first put in place.

cont'd....

Clause No. 2 (cont'd)

With the aid of photographs distributed to Council (on file in the City Clerk's Office), Mr. Segal explained that enclosure of most or all balconies bulks up buildings by filling in the volumes of open balconies and intends to create less residential, more office-like buildings. Exclusions from FSR are usually given to encourage developers to provide facilities that are considered important for livability but would likely not be provided without that incentive. In this case, bonuses are being permitted when they the negative affect of displacing the private open space for which the FSR exclusion was intended.

Recommendation A1 would eliminate the FSR exclusion for enclosed balconies except in the buildings existing prior to 1985, as per the original intent of the balcony enclosure provisions. Alternatively, should Council consider that enclosed balconies do have merit, A2 is offered which states that no more than half of the excluded balcony area may be enclosed. The third option, A3 is to simply allow outright the full eight percent exclusion to be enclosed.

This application also proposes an acoustic amendment. At present, acoustic requirements in many district schedules and CD-1 by-laws apply to standards in both rooms within the unit as well as exterior balconies and patios. As the current standard often requires balconies to be enclosed, even when this is not desired, the proposed amendment will delete this requirement. Mr. Segal also explained that amendments are proposed to the balcony enclosure guidelines which would delete provisions calling for easy conversion of enclosed balconies back to open balconies, as well as adding several additional clauses which will clarify the design intent in new construction.

Responding to a question from a member of Council, Mr. Segal advised of an error in the memorandum dated July 18, 1995 from the City Clerk, which referred this matter to Public Hearing. Recommendation A1 makes reference to excluding floor space ratio for enclosed balconies except in buildings existing prior to April 23, 1995. This should read April 23, 1985.

A member of Council enquired whether these guidelines would permit a style of balcony sometimes referred to a french balconies. Mr. Segal advised this style would not be permitted under the proposed guidelines.

Council members also enquired whether thresholds will still be required between the interior unit and the closed balconies. It was confirmed the proposed guidelines still contain this threshold requirement.

cont'd....

Clause No. 2 (cont'd)

Correspondence

All correspondence received prior to this matter being referred to Public Hearing was included as Appendix E in the Council report. One additional letter stressing the need for more open balconies in Vancouver and another favouring option A2, were also received.

Speakers

The Mayor called for speakers for and against the application, and the following addressed Council.

Mr. Hans Schmidt, representing the Society of Soundscape Preservation, expressed concern with the proposed deletion of acoustic requirements, on the grounds that if these requirements are deleted, the City is simply accommodating the noise which exists and not attempting to eliminate or reduce it. A greater emphasis should be directed towards elimination of the source of noise.

Mr. Dugal Purdie, on behalf of the Urban Development Institute (UDI), indicated his support for option A2 as it represents an appropriate compromise. The UDI is strongly opposed to A1 as this would affect proformas upon which construction was predicated upon. Mr. Purdie urged Council to support recommendation A2 with an amendment to exclude the applicability of the guidelines to enclosed space, as the Institute believes the total design of the building should be left with the architects and reviewed through the existing development permit process, without the addition of guidelines.

Mr. Stuart Howard, on behalf of the Architectural Institute of British Columbia (AIBC), lent his support to option A2, as it represents a compromise position. AIBC would ultimately prefer option 5 as stated in its May 30, 1995 brief to Council, but is willing to accept the compromise position. Mr. Howard suggested the Planning Department is naive in its support of option A1 because apartments are now significantly smaller in size and the continued requirement of an open balcony would result in a small, unusable space.

cont'd....

Clause No. 2 (cont'd)

MOVED by Cllr. Kennedy,

THAT the City continue to permit a maximum of eight percent of permitted residential floor area to be excluded from Floor Space Ratio (FSR) for balconies, but to permit no more than half of excluded floor area to be enclosed;

FURTHER THAT the requirement that thresholds be included in enclosed balconies be removed.

- CARRIED

(Councillors Chiavario, Kwan and Price opposed)

MOVED by Cllr. Kennedy,

THAT those District Schedules and CD-1 by-laws containing an acoustic regulation be amended, to delete the acoustic requirement for on-site open space (i.e., balconies, terraces, patios, etc.), generally as outlined in Appendix A of the Policy Report dated June 6, 1995.

- CARRIED

(Councillor Sullivan opposed)

MOVED by Cllr. Kennedy,

THAT the Balcony Enclosure Guidelines and Policies, amended as noted in Appendix B of the Policy Report dated June 6, 1995, to reflect more practical utilization by residents, be approved.

- CARRIED UNANIMOUSLY

MOVED by Cllr. Kennedy,

THAT Council advise the Planning Department that it supports "French Balconies" where appropriate and that language be incorporated in the balcony regulations and/or guidelines that would encourage their provision.

- CARRIED UNANIMOUSLY

CITY OF VANCOUVER

SPECIAL COUNCIL MEETING MINUTES

FEBRUARY 24, 2000

A Special Meeting of the Council of the City of Vancouver was held on Thursday, February 24, 2000, at 7:35 p.m., in Council Chambers, Third Floor, City Hall, for the purpose of holding a Public Hearing to consider proposed amendments to the Zoning and Development By-law and Official Development Plans.

PRESENT: Mayor Philip Owen
 Councillor Fred Bass
 Councillor Jennifer Clarke
 Councillor Daniel Lee
 Councillor Don Lee
 Councillor Sandy McCormick
 Councillor Sam Sullivan

ABSENT: Councillor Lynne Kennedy
 Councillor Tim Louis
 Councillor Gordon Price (Sick Leave)
 Councillor George Puil (Civic Business)

CITY CLERK'S OFFICE: Tarja Tuominen, Meeting Coordinator

COMMITTEE OF THE WHOLE

MOVED by Cllr. Don Lee,
 SECONDED by Cllr. Daniel Lee,

THAT this Council resolve itself into Committee of the Whole, Mayor Owen in the Chair, to consider proposed amendments to the Zoning and Development By-law and Official Development Plans.

- CARRIED UNANIMOUSLY

1. Text Amendments: District Schedules, Official Development Plans and

CD-1 By-laws - Floor Space Exclusions

[Barrett Commission]

An application by the Director of Current Planning was considered as follows:

Summary: The proposed text amendments would provide floor space exclusions to provide construction incentives to control building envelope leaks.

The Director of Current Planning recommended approval.

Staff Comments

Jacqui Forbes-Roberts, General Manager of Community Services, provided a brief introduction to the report, noting the proposed text amendments would affect new construction and repairs and restoration of existing buildings. Ms. Forbes-Roberts also requested an amendment to the proposed draft by-law to amend By-law 3575 to add RS1 to Section 4.7.3, (d).

Doug Watts, Building Envelope Specialist, with the aid of a slide presentation, described the specifics of the technical and different design issues of the proposed amendments, and explained what steps other municipalities have taken to address the recommendations arising from the Barrett Commission.

Summary of Correspondence

Council was advised the following correspondence was received since the date the application was referred to Public Hearing:

one letter in support of 'Option A'.

Speakers

Mayor Owen called for speakers for and against the application.

The following spoke in support of 'Option A':

John Fowler, Canadian Precast/Prestressed Concrete Institute
Bill McEwen, Masonry Institute of British Columbia (brief filed)
Peter Reese

The foregoing speakers supported 'Option A' based on one or more of the following points:

application of the current FSR calculations has prevented a wide-spread use of precast concrete exterior walls; there have been very few problems with the use of pre-cast concrete, which has proven to be a versatile and durable material;

thicker exterior walls are better walls, because they can include an airspace cavity behind the cladding which provides a "rainscreen" system, more efficient insulation, thicker, more durable cladding materials; current FSR calculations discourage the foregoing;

the proposed changes in FSR definitions will immediately encourage better wall design;

brick and stone-faced walls should be encouraged.

The following generally supported 'Option A' but felt the proposed text amendments should be referred back to staff for further study and discussion with the industry:

John O'Donnell, AIBC
Stuart Howard, Vancouver Planning Coalition

The following is a summary of the foregoing speakers' comments:

Option 'A' is supported in principle; however the text amendments also should address overhangs, balconies, elevated walkways, yard setbacks, and site coverage; staff should accept the electronic calculation of areas and the calculations of the Architect, given under seal; letters of assurance from a building envelope specialist are redundant at an early stage; the proposed text amendments should cover everything instead of the City issuing administrative bulletins to address further changes.

Staff Closing Comments

Ralph Segal, Planner; Eric Fiss, Planner; and Doug Watts responded to the issues raised by the speakers: the proposed text amendments are the result of a fair bit of consultation with the industry; a building envelope specialist is required to be involved in the process earlier as technical details are to be submitted at the development permit stage; staff are taking a further look at other issues, such as recesses, balconies and walkways.

Ms. Forbes-Roberts advised Council may proceed with the proposed amendments to the floor space exclusions and request staff to come back with additional amendments. Staff and the industry would prefer the FSR exclusions not be delayed.

MOVED by Cllr. Don Lee,

A. THAT the application by the Director of Current Planning to amend various District Schedules, Official Development Plans and CD-1 By-laws to provide floor space exclusions to provide construction incentives to control building envelope leaks be approved.

FURTHER THAT the draft By-law 3575, section 4.7.3, be amended as follows:

(d) as clause (h) in the following district schedules:

RS-1 and RS-1S RT-4, etc.

(Italics denote amendment)

B. THAT staff report back on other aspects affecting leakage of buildings, such as overhangs, protection of upper balconies, recesses, etc.

- CARRIED UNANIMOUSLY

RISE FROM COMMITTEE OF THE WHOLE

MOVED by Cllr. Don Lee,

THAT the Committee of the Whole rise and report.

- CARRIED UNANIMOUSLY

ADOPT REPORT OF COMMITTEE OF THE WHOLE

MOVED by Cllr. Clarke,
SECONDED BY Cllr. Don Lee,

THAT the report of the Committee of the Whole be adopted, and the Director of Legal Services be instructed to prepare and bring forward the necessary by-law amendments.

- CARRIED UNANIMOUSLY

The Special Council adjourned at 9:20 p.m.

being By-laws which amended the
Zoning and Development By-law
by rezoning areas to CD-1

THE COUNCIL OF THE CITY OF VANCOUVER, in open meeting
assembled, enacts as follows:

1. By-law No. 3907 is amended in Section 2 by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

2. By-law No. 4412 is amended in Section 2 by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

3. By-law No. 5376 is amended in Section 2 by deleting the period from the end of subclause (iii) and substituting it with a semi-colon and by adding the following subclause:

"(iv) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this subclause shall not apply to walls in existence prior to March 14, 2000."

4. By-laws No. 4825 and 6325 are each amended in Section 3 by deleting the period from the end of subclause (ii) and substituting it with a semi-colon and by adding the following subclause:

"(iii) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this subclause shall not apply to walls in existence prior to March 14, 2000."

5. By-law No. 5343 is amended in Section 3 by deleting the period from the end of clause (iii) and substituting it with a semi-colon and by adding the following clause:

"(iv) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000"

6. By-laws No. 4775, 4829, 5222, 5224, 5773 and 6039 are each amended in Section 3 by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the

Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

7. By-laws No. 4085, 5411, and 5416 are each amended in Section 3 by deleting the period from the end of clause (c) and substituting it with a semi-colon and by adding the following clause:

"(d) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

8. By-law No. 5407 is amended in Section 3 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

"(e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

9. The By-laws listed below are each amended in Section 3 by adding the following section:

"3.1 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

10. By-laws No. 6314 and 6582 are each amended in Section 3.1 by deleting the period from the end of clause (ii) and substituting it with a semi-colon and by adding the following clause:

"(iii) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

11. By-law No. 6272 is amended in Section 3.1 by deleting the word "and" from the end of subclause (c)(i), by deleting the period from the end of subclause (c)(ii) and substituting it with a semi-colon and by adding the following subclause:

"(iii) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

12. By-law No. 4580 is amended in Section 3.2 by deleting the period at the end of the section and substituting it with a semi-colon, by relettering the existing text as clause (a) and by adding the following clause:

"(b) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

13. By-law No. 6884 is amended in Section 3.1 by deleting the word "and" from the end of clause (a), by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

14. By-law No. 5683 is amended in Section 3.2 by deleting the period at the end of this section and substituting it with a semi-colon and by adding the following clause:

"(b) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor

space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

15. By-law No. 8088 is amended in Section 3.2 by adding the following clause:

"(d) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

16. By-law No. 6009 is amended in Section 3.2 by deleting the period at the end of subclause (e)(vii) and substituting it with a semi-colon and by adding the following clause:

"(f) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

17. By-law No. 4677 is amended in Section 3.2 by deleting the period at the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

18. The By-laws listed below are each amended in Section 3 by adding the following section:

"3.3 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

4238 4860 5579 5717 5810 5852 5890 6057 6070 6310 6312 6313
6316 6320 6361 6363 6423 6528 6714 6715

19. By-law No. 7684 is amended in Section 3.3 by deleting the period from the end of clause (a) and substituting it with a semi-colon and by adding the following clause:

"(b) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

20. The By-laws listed below are each amended in Section 3.3 by deleting the and from clause (a) and by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

7705 7459 7435 7434 7419 7389 6718

21. The By-laws listed below are each amended in Section 3.3 by deleting the period from the end of clause (c) and substituting it with a semi-colon and by adding the following clause:

"(d) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

5458 5548 5597 6962 7045 7682

22. The By-laws listed below are each amended in Section 3.3 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

"(e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

7647 7651 7655 7723 7932 7948 8082

25. The By-laws listed below are each amended in Section 3.3 by deleting the period from the end of clause (g) and substituting it with a semi-colon and by adding the following clause:

"(h) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

3869 7173 7522 7601 7656 7672 7834 7852 7853 7904 7958

26. By-laws No. 4559, 7209, 7425 and 7431 are each amended in Section 3.3 by deleting the period from the end of clause (h) and substituting it with a semi-colon and by adding the following clause:

"(i) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

27. By-laws No. 5997 and 7829 are each amended in Section 3.3 by deleting the period from the end of clause (i) and substituting it with a semi-colon and by adding the following clause:

"(j) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

28. The By-laws listed below are each amended in Section 3 by adding the following section:

"3.4 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

5762 5927 6315 6317 6318 6319 6321 6323 6362

29. By-law No. 7980 is amended

(a) in Section 3.4 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

"(e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000.", and

(b) in Section 3.7 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

30. By-laws No. 7087 and 7174 are each amended in Section 3.4 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

31. By-law No. 7246 is amended in Section 3.4 by deleting the period from the end of clause (h) and substituting it with a semi-colon and by adding the following clause:

"(i) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

32. By-laws No. 8034, 8043 and 8116 are each amended in Section 3.4 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

33. By-laws No. 6322 and 6597 are each amended in Section 3 by adding the following section:

"3.5 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

34. By-law No. 8016 is amended in Section 3.5 by deleting the period from the end of clause (g) and substituting it with a semi-colon and by adding the following clause:

"(h) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

35. By-law No. 8055 is amended in Section 3.5 by deleting the period from the end of clause (h) and substituting it with a semi-colon and by adding the following clause:

"(i) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

36. By-law No. 8130 is amended in Section 3.6 by deleting the period from the end of clause (e) and substituting it with a semi-colon and by adding the following clause:

"(f) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

37. By-law No. 7648 is amended in Section 3.6 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

38. By-laws No. 6063 and 6221 are each amended in Section 3 by adding the following section:

"4.1 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

39. By-law No. 5555 is amended in Section 4 by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

40. By-law No. 5705 is amended in Section 4 by adding the following section:

"4.3 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

41. By-law No. 7371 is amended in Section 4.3 by deleting the period from the end of clause (a) and substituting it with a semi-colon and by adding the following clause:

"(b) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

42. By-law No. 7249 is amended in Section 4.3 by deleting the period from the end of clause (c) and substituting it with a semi-colon and by adding the following clause:

"(d) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

43. By-laws No. 5702 and 7673 are each amended in Section 4.3 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

"(e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

44. By-laws No. 6819 and 7238 are each amended in Section 4.3 by deleting the period from the end of clause (e) and substituting it with a semi-colon and by adding the following clause:

"(f) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

45. The By-laws listed below are each amended in Section 4.3 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

3632 3706 4131 7649 7995 8073 8097

46. By-law No. 5381 is amended in Section 4.3.3 by adding after the existing text the following:

" - where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

47. By-law No. 7592 is amended in Section 4.4 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

"(e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

48. By-law No. 6883 is amended in Section 4.4 by deleting the period from the end of clause (e) and substituting it with a semi-colon and by adding the following clause:

"(f) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

49. By-laws No. 4037 and 7405 are each amended in Section 4.4 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum

exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

50. By-law No. 7201 is amended in Section 4.5 by deleting the period from the end of clause (c) and substituting it with a semi-colon and by adding the following clause:

"(d) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

51. By-law No. 5383 is amended in Section 5 by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

52. By-law No. 6533 is amended in Section 5.2.4 by deleting the period at the end of the existing text and substituting it with a semi-colon and by adding the following:

" - where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

53. By-law No. 7654 is amended in Section 5.3 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

54. By-law No. 7677 is amended in Section 5.3 by deleting the period from the end of clause (g) and substituting it with a semi-colon and by adding the following clause:

"(h) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum

exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

55. By-laws No. 7675, 7681 and 8109 are each amended in Section 5.3 by deleting the period from the end of clause (h) and substituting it with a semi-colon and by adding the following clause:

"(i) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

56. By-laws No. 3865 and 6475 are each amended in Section 5.3.3 by deleting the period from the end of the existing text and substituting it with a semi-colon and by adding the following:

" - where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

57. By-law No. 7879 is amended in Section 5.4 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

58. By-law No. 8131 is amended in Section 5.4 by deleting the period from the end of clause (j) and substituting it with a semi-colon and by adding the following clause:

"(k) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

59. By-law No. 6169 is amended in Section 6 by adding the following section:

"6.1 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the

Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

60. By-law No. 7679 is amended in Section 6.3 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

"(e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

61. By-law No. 7317 is amended in Section 6.3 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

62. By-laws No. 7156, 7200, and 7232 are each amended in Section 6.3 by deleting the period from the end of clause (g) and substituting it with a semi-colon and by adding the following clause:

"(h) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

63. By-law No. 7461 is amended in Section 6.3 of Schedule B by deleting the period from the end of clause (h) and substituting it with a semi-colon and by adding the following clause:

"(i) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

64. By-law No. 7248 is amended in Section 6.3 by deleting the period from the end of clause (i) and substituting it with a semi-colon and by adding the following clause:

"(j) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

65. By-law No. 6744 is amended in Section 6.3 by deleting the period from the end of clause (j) and substituting it with a semi-colon and by adding the following clause:

"(k) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

66. By-laws No. 6747 and 7204 are each amended in Section 7.3 of Schedule B, by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

67. By-law No. 6757 is amended in Section 7.3 by deleting the period from the end of clause (g) and substituting it with a semi-colon and by adding the following clause:

"(h) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

68. By-law No. 6254 is amended in Section 8 by deleting the period from the end of the second clause (a), which clause ends with the word "computation", and substituting a semi-colon and by inserting the following clause:

"(b) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000;"

69. This By-law comes into force and takes effect on the date of its passing.

DONE AND PASSED in open Council this 14th day of March , 2000.

(Signed) Philip W. Owen
Mayor

(Signed) Ulli S. Watkiss
City Clerk

"I hereby certify that the foregoing is a correct copy of a By-law passed by the Council of the City of Vancouver on the 14th day of March 2000, and numbered 8169.

CITY CLERK"

CITY OF VANCOUVER
SPECIAL COUNCIL MEETING MINUTES

NOVEMBER 20, 2003

A Special Meeting of the Council of the City of Vancouver was held on Thursday, November 20, 2003, at 7:30 p.m., in the Council Chamber, Third Floor, City Hall, for the purpose of holding a Public Hearing to consider proposed amendments to the Zoning and Development By-law, Official Development Plans, Sign By-law and to designate property as protected heritage property and to enter into a Heritage Revitalization Agreement.

PRESENT: Mayor Larry Campbell
 Councillor David Cadman
 Councillor Peter Ladner
 Councillor Raymond Louie
 Councillor Tim Louis
 Councillor Anne Roberts
 Councillor Tim Stevenson
 *Councillor Sam Sullivan
 Councillor Ellen Woodsworth

ABSENT: Councillor Fred Bass (Leave of Absence - Civic Business)
 Councillor Jim Green (Civic Business)

CITY CLERK'S OFFICE: Laura Kazakoff, Meeting Coordinator

*Denotes absence for a portion of the meeting.

COMMITTEE OF THE WHOLE

MOVED by Councillor Louis
 SECONDED by Councillor Cadman

THAT this Council resolve itself into Committee of the Whole, Mayor Campbell in the Chair, to consider proposed amendments to the Zoning and Development By-law, Official Development Plans, Sign By-law, to designate property as protected heritage property and to enter into a Heritage Revitalization Agreement.

CARRIED UNANIMOUSLY

1. Text Amendment: Zoning and Development By-law, CD-1s, and Official Development Plans

An application by the Director of Current Planning was considered as follows:

Summary: Housekeeping amendments to the Zoning and Development By-law, including CD-1s and Official Development Plans.

The Director of Current Planning recommended approval.

Staff Comments

Dave Thomsett, Senior Planner, Rezoning Centre, was present to respond to questions.

Summary of Correspondence

No correspondence was received since the date the application was referred to Public Hearing.

Speakers

The Mayor called for speakers for and against the application and none were present.

Council Decision

MOVED by Councillor Louis

THAT the application by the Director of Current Planning to amend the Zoning & Development By-law, CD-1 By-laws and Official Development Plans generally as set out in Appendices A & B of the Policy Report "Miscellaneous Text Amendments: Zoning and Development By-law, CD-1 By-laws, and Official Development Plans, Zoning and Development Fee By-law and Policies and Guidelines" dated September 23, 2003, be approved.

CARRIED UNANIMOUSLY
(Councillor Sullivan absent for the vote)

BY-LAWS
