By-law No. 6297

(Being a By-law to Amend By-law 3575, being the Zoning and Development By-law)

Effective February 2, 1988

(Amended up to and including By-law No. 8169, dated March 14, 2000)

BY-LAW NO. 6297

A By-law to amend By-law No. 3575, being
the Zoning and Development By-law

THE COUNCIL OF THE CITY OF VANCOUVER, in open meeting assembled, enacts as follows:

- 1 The “Zoning District Plan” annexed to By-Law No. 3575 as Schedule “D” is hereby amended according to the plan marginally numbered Z-339(a) and attached to this By-law as Schedule “An, and in accordance with the explanatory legends, notations and references inscribed thereon, so that the boundaries and districts shown on the Zoning District Plan are varied, amended or substituted to the extent shown on Schedule “A” of this By-law, and Schedule “A” of this By-law is hereby incorporated as an integral part of Schedule “D” of By-law No. 3575.
- 2 The area shown included within the heavy black outline on Schedule “An is rezoned to CD-1, and the only uses permitted within the said area, subject to such conditions as Council may by resolution prescribe, and the only uses for which development permits will be issued are:
 - (a) a maximum of eight dwelling units provided in a multiple dwelling;
 - (b) accessory uses customarily ancillary to the above use.
- 3 **Floor Space Ratio**
The floor space ratio for all uses shall not exceed 0.84, measured in accordance with the provisions of the RT-2A District Schedule.
- 3.1 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000. [8169; 00 03 14]
- 4 **Height**
The maximum building height, measured above the base surface, shall be 7.62 m (25.00 ft.).
- 5 **Off-street Parking**
Off-street parking shall be provided, developed and maintained in accordance with the applicable provisions of the Parking By-law, except that a minimum of 12 off-street parking spaces shall be provided.

Note: Information included in square brackets [] identifies the by-law numbers and dates for the amendments to By-law No. 6297 or provides an explanatory note.

6 This By-law comes into force and takes effect on the date of its passing.

DONE AND PASSED in open Council this 2nd day of February 1988.

CITY OF VANCOUVER

SPECIAL COUNCIL MEETING

A Special Meeting of the Council of the City of Vancouver was held on Thursday, October 1, 1987 in the Council Chamber, Third Floor, City Hall, at approximately 8:00 p.m., for the purpose of holding a Public Hearing to amend the Zoning and Development By-law.

PRESENT: Deputy Mayor Bellamy
Aldermen Baker, Boyce, Davies,
Eriksen, Owen, Price,
Puil, and Taylor

ABSENT: Mayor Campbell
Alderman Caravetta

CLERK TO THE COUNCIL: Mrs. J. Thomas

COMMITTEE OF THE WHOLE

MOVED by Ald. Davies,
SECONDED by Ald. Eriksen,

THAT this Council resolve itself into Committee of the Whole, Deputy Mayor Bellamy in the Chair, to consider proposed amendments to the Zoning and Development By-law.

- CARRIED UNANIMOUSLY

1. Rezoning - 4906-58 MacKenzie Street

Council considered an application of Robert Turecki, Architects, as follows:

REZONING: LOCATION - 4906-58 MACKENZIE STREET (Lot 1, Block 48, D.L. 2027, Plan 2283)

Present Zoning: C-1 Commercial District and RS-1 One-Family Dwelling District

Proposed Zoning: CD-1 Comprehensive Development District

- (i) The draft CD-1 By-law, if approved, would accommodate the use and development of the site generally as follows:
- maximum of eight dwelling units in a multiple dwelling;
 - maximum floor space ratio of 0.86;
 - maximum height of 7.2 m (25 feet); and
 - provisions regarding off-street parking.
- (ii) Any consequential amendments.

The Director of Planning recommended approval subject to the following conditions proposed for adoption by resolution of Council:

- (a) That, prior to the enactment of the CD-1 by-law, the detailed scheme of development in a development permit application be first approved by the Director of Planning having particular regard to:
- the reduction of the floor space ratio to 0.84;
 - the development of a pedestrian amenity on the northwest corner of the site.

Cont'd....

Rezoning - 4906-58 MacKenzie Street (Cont'd)

- (b) That the approved form of development is generally as prepared by Robert Turecki, Architect, and stamped "Received City Planning Department, June 25, 1987", provided that the Director of Planning may allow minor alterations to this approved form of development when approving the detailed scheme of development, as outlined in resolution (a) above.

In his review, Mr. Ian Smith, Zoning and Subdivision Group, pointed out while the application was for a maximum floor space ratio of 0.86, the Director of Planning was proposing a reduction to 0.84 as there was no rationale for supporting a density higher than that now permitted. The density proposed by the Director of Planning was also consistent with the existing development on the northeast and northwest corners of the intersection where the f.s.r. was approximately 0.80.

Mr. Smith advised site notification had resulted in 12 letters from the public - eight supporting and four opposing the application. The majority of those in favour were residents of the adjacent block who will be most affected; those opposed felt the applicant's development proposal would set a precedent for multiple dwellings in their neighbourhood.

Mr. Robert Turecki, the applicant, stated a canvass of the neighbourhood in April disclosed opposition to commercial uses on the site, which is currently split zoned C-1 Commercial District and RS-1 One Family Dwelling District. Therefore, the original proposal for commercial use of the entire site was changed to the present application for a two-storey multiple dwelling of eight units, with parking for twelve cars under the rear portion of the building, accessed from the lane.

The Deputy Mayor called for speakers for or against the proposal and the following persons addressed the Council:

Mr. Andrew Markus, 2859 West 33rd Avenue, expressed general approval of the concept and form of development but was concerned more traffic would be generated on 33rd Avenue and on-street parking may become a problem.

Mr. Tim Ballard, 2966 West 34th Avenue, felt the introduction of multiple dwellings would create a precedent and erode the single family character of the area, as has happened already along 41st Avenue in Kerrisdale.

Dr. D. Connell, 2906 West 37th Avenue, brief circulated, strongly opposed the application, submitting approval would legitimise similar changes in other areas of MacKenzie Heights and affect the character and quality of living conditions in the area.

Mr. G. Wirth, 3250 West 29th Avenue, also representing the West Side Homeowners Association, stated the development would constitute encroachment in a single family area and should, therefore, be refused.

Ms. Dorothy Rankin, 3088 West 34th Avenue, advised parking was already a problem in the area - the additional units would exacerbate this and the site should be zoned for single family homes.

Cont'd....

Rezoning - 4906-58 MacKenzie Street (Cont'd)

Mr. Douglas Lynn, 2875 West 34th Avenue, stated he lives behind the lane at the rear of the site and given the choice, would opt for residential over commercial. A smaller development would be preferred but he recognized the impracticality of restricting development of a commercial property to two or three family residences.

Mr. Stanley Cornish, 2965 West 35th Avenue, felt the proposal was inappropriate for such a busy intersection as 33rd/McKenzie and insufficient parking had been provided on site.

Mr. John Gurney, 2879 West 33rd Avenue, whose home overlooks the site, noted the commercial businesses currently on the site generated a large volume of traffic in the neighbourhood and created on-street parking problems. He preferred the housing development.

The Deputy Mayor also noted a letter which had been circulated to Council members from Mr. David A. Duncan, 2825 West 31st Avenue, proposing the development be scaled down to three units.

MOVED by Ald. Baker,
THAT the application be approved;

FURTHER THAT condition (a) be amended and approved as follows:

- (a) That, prior to the enactment of the CD-1 by-law, the detailed scheme of development in a development permit application be first approved by the Director of Planning having particular regard to:
- the reduction of the floor space ratio to 0.86;
 - the development of a pedestrian amenity on the northwest corner of the site;

AND FURTHER THAT condition (b) be approved as recommended by the Director of Planning and set out in this Minute of the Public Hearing.

- (amended)

Underlining denotes amendment

MOVED by Ald. Puil (in amendment),
THAT the figure 0.86 in condition (a) be deleted and the figure 0.84 be substituted therefor.

- CARRIED

(Aldermen Baker, Boyce and Owen opposed)

The amendment having carried, the motion as amended, was put and CARRIED UNANIMOUSLY

Items 2 and 3 were related and were considered concurrently, however, for clarity, they are minuted separately in this report.

2. Text Amendment - CD-1 By-law, No. 5222-
5660 Yew Street

Council considered an application of the Director of Planning as follows:

TEXT AMENDMENT: CD-1 BY-LAW, NO. 5222 - 5660 YEW STREET (Lot 3 of Lot 1 of Lot 6, Block 17, D.L. 526, Plan 3564)

- (i) The proposed text amendment, if approved, would permit the expansion of permitted use from accounting office to professional office, limited to architecture, law, accounting and engineering office uses only.
- (ii) Any consequential amendments.

The Director of Planning recommended approval.

The applicant's representative was present to answer questions, however, there were no speakers for or against the application.

MOVED by Ald. Owen,
THAT the application be approved.

- CARRIED UNANIMOUSLY

3. Text Amendment - CD-1 By-law No. 5224 -
5670 Yew Street

An application of William Smith Munro, Yew Street Management Inc., was considered as follows:

TEXT AMENDMENT: CD-1 BY-LAW, No. 5224 - 5670 YEW STREET (Lot 4 of Lot 1 of Lot 6, Block 17, D.L. 526, Plan 3564)

- (i) The proposed text amendment, if approved, would permit the expansion of permitted use from law practice to professional office, as defined in Item 2 above.
- (ii) Any consequential amendments.

The Director of Planning recommended approval.

The applicant was present to answer questions, however, there were no speakers for or against the application.

MOVED by Ald. Owen,
THAT the application be approved.

- CARRIED UNANIMOUSLY

SPECIAL COUNCIL MEETING MINUTES

FEBRUARY 24, 2000

A Special Meeting of the Council of the City of Vancouver was held on Thursday, February 24, 2000, at 7:35 p.m., in Council Chambers, Third Floor, City Hall, for the purpose of holding a Public Hearing to consider proposed amendments to the Zoning and Development By-law and Official Development Plans.

PRESENT: Mayor Philip Owen
 Councillor Fred Bass
 Councillor Jennifer Clarke
 Councillor Daniel Lee
 Councillor Don Lee
 Councillor Sandy McCormick
 Councillor Sam Sullivan

ABSENT: Councillor Lynne Kennedy
 Councillor Tim Louis
 Councillor Gordon Price (Sick Leave)
 Councillor George Puil (Civic Business)

CITY CLERK'S OFFICE: Tarja Tuominen, Meeting Coordinator

COMMITTEE OF THE WHOLE

MOVED by Cllr. Don Lee,
 SECONDED by Cllr. Daniel Lee,

THAT this Council resolve itself into Committee of the Whole, Mayor Owen in the Chair, to consider proposed amendments to the Zoning and Development By-law and Official Development Plans.

- CARRIED UNANIMOUSLY

1. Text Amendments: District Schedules, Official Development Plans and

CD-1 By-laws - Floor Space Exclusions

[Barrett Commission]

An application by the Director of Current Planning was considered as follows:

Summary: The proposed text amendments would provide floor space exclusions to provide construction incentives to control building envelope leaks.

The Director of Current Planning recommended approval.

Staff Comments

Jacqui Forbes-Roberts, General Manager of Community Services, provided a brief introduction to the report, noting the proposed text amendments would affect new construction and repairs and restoration of existing buildings. Ms. Forbes-Roberts also requested an amendment to the proposed draft by-law to amend By-law 3575 to add RS1 to Section 4.7.3, (d).

Doug Watts, Building Envelope Specialist, with the aid of a slide presentation, described the specifics of the technical and different design issues of the proposed amendments, and explained what steps other municipalities have taken to address the recommendations arising from the Barrett Commission.

Summary of Correspondence

Council was advised the following correspondence was received since the date the application was referred to Public Hearing:

one letter in support of 'Option A'.

Speakers

Mayor Owen called for speakers for and against the application.

The following spoke in support of 'Option A':

John Fowler, Canadian Precast/Prestressed Concrete Institute
Bill McEwen, Masonry Institute of British Columbia (brief filed)
Peter Reese

The foregoing speakers supported 'Option A' based on one or more of the following points:

application of the current FSR calculations has prevented a wide-spread use of precast concrete exterior walls; there have been very few problems with the use of pre-cast concrete, which has proven to be a versatile and durable material;

thicker exterior walls are better walls, because they can include an airspace cavity behind the cladding which provides a "rainscreen" system, more efficient insulation, thicker, more durable cladding materials; current FSR calculations discourage the foregoing;

the proposed changes in FSR definitions will immediately encourage better wall design;

brick and stone-faced walls should be encouraged.

The following generally supported 'Option A' but felt the proposed text amendments should be referred back to staff for further study and discussion with the industry:

John O'Donnell, AIBC
Stuart Howard, Vancouver Planning Coalition

The following is a summary of the foregoing speakers' comments:

Option 'A' is supported in principle; however the text amendments also should address overhangs, balconies, elevated walkways, yard setbacks, and site coverage; staff should accept the electronic calculation of areas and the calculations of the Architect, given under seal; letters of assurance from a building envelope specialist are redundant at an early stage; the proposed text amendments should cover everything instead of the City issuing administrative bulletins to address further changes.

Staff Closing Comments

Ralph Segal, Planner; Eric Fiss, Planner; and Doug Watts responded to the issues raised by the speakers: the proposed text amendments are the result of a fair bit of consultation with the industry; a building envelope specialist is required to be involved in the process earlier as technical details are to be submitted at the development permit stage; staff are taking a further look at other issues, such as recesses, balconies and walkways.

Ms. Forbes-Roberts advised Council may proceed with the proposed amendments to the floor space exclusions and request staff to come back with additional amendments. Staff and the industry would prefer the FSR exclusions not be delayed.

MOVED by Cllr. Don Lee,

A. THAT the application by the Director of Current Planning to amend various District Schedules, Official Development Plans and CD-1 By-laws to provide floor space exclusions to provide construction incentives to control building envelope leaks be approved.

FURTHER THAT the draft By-law 3575, section 4.7.3, be amended as follows:

(d) as clause (h) in the following district schedules:

RS-1 and RS-1S RT-4, etc.

(Italics denote amendment)

B. THAT staff report back on other aspects affecting leakage of buildings, such as overhangs, protection of upper balconies, recesses, etc.

- CARRIED UNANIMOUSLY

RISE FROM COMMITTEE OF THE WHOLE

MOVED by Cllr. Don Lee,

THAT the Committee of the Whole rise and report.

- CARRIED UNANIMOUSLY

ADOPT REPORT OF COMMITTEE OF THE WHOLE

MOVED by Cllr. Clarke,
SECONDED BY Cllr. Don Lee,

THAT the report of the Committee of the Whole be adopted, and the Director of Legal Services be instructed to prepare and bring forward the necessary by-law amendments.

- CARRIED UNANIMOUSLY

The Special Council adjourned at 9:20 p.m.

10. By-laws No. 6314 and 6582 are each amended in Section 3.1 by deleting the period from the end of clause (ii) and substituting it with a semi-colon and by adding the following clause:

"(iii) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

11. By-law No. 6272 is amended in Section 3.1 by deleting the word "and" from the end of subclause (c)(i), by deleting the period from the end of subclause (c)(ii) and substituting it with a semi-colon and by adding the following subclause:

"(iii) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

12. By-law No. 4580 is amended in Section 3.2 by deleting the period at the end of the section and substituting it with a semi-colon, by relettering the existing text as clause (a) and by adding the following clause:

"(b) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

13. By-law No. 6884 is amended in Section 3.1 by deleting the word "and" from the end of clause (a), by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

14. By-law No. 5683 is amended in Section 3.2 by deleting the period at the end of this section and substituting it with a semi-colon and by adding the following clause:

"(b) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor

space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

15. By-law No. 8088 is amended in Section 3.2 by adding the following clause:

"(d) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

16. By-law No. 6009 is amended in Section 3.2 by deleting the period at the end of subclause (e)(vii) and substituting it with a semi-colon and by adding the following clause:

36. By-law No. 8130 is amended in Section 3.6 by deleting the period from the end of clause (e) and substituting it with a semi-colon and by adding the following clause:

"(f) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

37. By-law No. 7648 is amended in Section 3.6 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

38. By-laws No. 6063 and 6221 are each amended in Section 3 by adding the following section:

"4.1 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

39. By-law No. 5555 is amended in Section 4 by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this clause shall not apply to walls in existence prior to March 14, 2000."

40. By-law No. 5705 is amended in Section 4 by adding the following section:

"4.3 Where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, shall be excluded in the computation of floor space ratio, except that this section shall not apply to walls in existence prior to March 14, 2000."

41. By-law No. 7371 is amended in Section 4.3 by deleting the period from the end of clause (a) and substituting it with a semi-colon and by adding the following clause:

"(b) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

42. By-law No. 7249 is amended in Section 4.3 by deleting the period from the end of clause (c) and substituting it with a semi-colon and by adding the following clause:

"(d) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

43. By-laws No. 5702 and 7673 are each amended in Section 4.3 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

" - where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

47. By-law No. 7592 is amended in Section 4.4 by deleting the period from the end of clause (d) and substituting it with a semi-colon and by adding the following clause:

"(e) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

48. By-law No. 6883 is amended in Section 4.4 by deleting the period from the end of clause (e) and substituting it with a semi-colon and by adding the following clause:

"(f) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

49. By-laws No. 4037 and 7405 are each amended in Section 4.4 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum

exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

50. By-law No. 7201 is amended in Section 4.5 by deleting the period from the end of clause (c) and substituting it with a semi-colon and by adding the following clause:

"(d) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

51. By-law No. 5383 is amended in Section 5 by deleting the period from the end of clause (b) and substituting it with a semi-colon and by adding the following clause:

"(c) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

52. By-law No. 6533 is amended in Section 5.2.4 by deleting the period at the end of the existing text and substituting it with a semi-colon and by adding the following:

" - where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

53. By-law No. 7654 is amended in Section 5.3 by deleting the period from the end of clause (f) and substituting it with a semi-colon and by adding the following clause:

"(g) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

54. By-law No. 7677 is amended in Section 5.3 by deleting the period from the end of clause (g) and substituting it with a semi-colon and by adding the following clause:

"(h) where exterior walls greater than 152 mm in thickness have been recommended by a Building Envelope Professional as defined in the Building By-law, the area of the walls exceeding 152 mm, but to a maximum

exclusion of 152 mm thickness, except that this clause shall not apply to walls in existence prior to March 14, 2000."

55. By-laws No. 7675, 7681 and 8109 are each amended in Section 5.3 by deleting the period from the end of clause (h) and substituting it with a semi-colon and by adding the following clause:
