3 Floor Space Ratio

3.1 The floor space ratio, except for General Office use, must not exceed 0.41.

3.2 The floor space ratio for General Office use must not exceed the greater of 235 m² and 33 1/3% of the total gross floor area of all principal and accessory uses combined.

3.3 For the purpose of computing floor space ratio, the site will consist of all parcels of land to which this By-law applies, and will be deemed to be 5 845 m², being the site size at the time of the rezoning application, prior to any dedication of one or more portions of the site.

3.4 Computation of floor space ratio must include:

- (a) measurement of all floors of all buildings, including accessory buildings, both above and below ground level, to the extreme outer limits of the buildings.

3.5 Computation of floor space ratio must exclude:

- (a) open residential balconies or sundecks and any other appurtenances which, in the opinion of the Director of Planning, are similar to the foregoing, except that the total area of all exclusions must not exceed 8% of the residential floor area;
- (b) patios and roof gardens, for residential purposes only, if the Director of Planning first approves the design of sunroofs and walls;
- (c) where floors are used for off-street parking and loading, the taking on or discharging of passengers, bicycle storage, heating and mechanical equipment, or uses which, in the opinion of the Director of Planning, are similar to the foregoing, those floors or portions thereof so used which:
 - (i) are at or below the base surface, except that the exclusion for a parking space must not exceed 7.3 m in length; or
 - (ii) are above the base surface and where developed as off-street parking are located in an accessory building situated in the rear yard, except that the exclusion for a parking space must not exceed 7.3 m in length;
- (d) storage space associated with an Artist Studio - Class B where the space is below the base surface, except that the exclusion for storage space for each Artist Studio - Class B must not exceed 20 m²;
- (e) amenity areas for the social and recreational enjoyment of residents and employees or for service to the public, including facilities for general fitness, general recreation and child day care, except that:
 - (i) the exclusion for all amenity areas must not exceed the lesser of 20% of the permitted floor space and 100 m²; and
 - (ii) for child day care facilities, the Director of Planning, on the advice of the Director of Social Planning, is satisfied that a need for a day care facility exists on site or in the immediate neighbourhood; and
- (f) where a Building Envelope Professional as defined in the Building By-law has recommended exterior walls greater than 152 mm in thickness, the area of the walls exceeding 152 mm, but to a maximum exclusion of 152 mm thickness, except that this clause will not apply to walls in existence prior to March 14, 2000.

4 Height

4.1 Building height measured above the base surface must not exceed 7.5 m.

5 Off-Street Parking and Loading

5.1 Any development or use of the site requires the provision, development, and maintenance, in accordance with the requirements of the Parking By-law, of off-street parking, loading, and bicycle storage.

- 5.2** Except for individual retail units, the provision of parking must equal at least one space for each 100 m² of gross floor area up to 300 m², and one additional space for each additional 50 m² of gross floor area.
- 5.3** If compliance with the requirements of sections 5.1 and 5.2 will result in unnecessary hardship and if the Director of Planning is of the opinion that relaxation of the requirements of sections 5.1 and 5.2 will not adversely impact surrounding developments and residents or the parking needs of residents or visitors to the site, the Director of Planning, on the advice of the City Engineer, may relax the requirements of sections 5.1 and 5.2.
- 6** **Force and Effect**
This By-law is to come into force and take effect on the date of its enactment.
- 7** *[Section 7 is not reprinted here. It contains a standard clause including the Mayor and City Clerk's signatures to pass the by-law and certify the by-law number and date of enactment.]*
